Bank will be following the e-procurement process. The complete details of the requirements for participation in the e-procurement process of the Bank are available on the website <https://etender.pnbnet.in> which may be referred for details & clarification. It is mandatory for the bidder to get itself registered on Bank's website for submission of online bids.

Note: - Technical bids will be opened in the presence of bidders who choose to attend as above. The above schedule is subject to change. Notice of any changes will be published on Bank's website (www.pnbindia.in & <https://etender.pnbnet.in>) wherever feasible. Further, please note that commercial bid opening date and time will be intimated to the technically qualified bidders at a later date.

2. Online tenders are invited on item rate basis on behalf of Punjab National Bank from experienced contractors, reputed firms (proprietary/ partnership)/ company/ organization registered in India under Companies Act, who fulfil the eligibility criteria mentioned in the tender documents for **Upgradation of existing 125 KLD Sewage Treatment Plant installed at Punjab National Bank's Head Office,**

Plot No.4, Sector 10, Dwarka, New Delhi-110075 against Payment of ₹ 1770/- (non-refundable towards cost of tender and i/c GST @ 18%), in two envelope system containing (1) Technical Bid (2) Commercial bid. Tender purchase fee of ₹1770 (i/c GST@18%) may be submitted in form of demand draft in a separate envelope or online payment in non-customer account (i.e. A/c No: 1988002100141010 & IFSC Code: PUNB0976200) of (the procuring office of Bank) with **EMD**. Commercial bid shall be submitted online only.

3. The Bidders intending to participate in this tender are required to get enrolled on the Bank's website i.e. <https://etender.pnbnet.in> Enrolment on the above mentioned website is mandatory.
4. As the bids of the Bidders have to be digitally signed by the Electronic/Digital Signature of the respective Bidder before submitting the bids online, the bidders are advised to obtain Electronic/ Digital Signature Certificates (Class III & above both encryption & Signing) in order to bid for the tender.
5. The Tender Documents containing detailed terms & conditions can be downloaded online directly from the portal <https://etender.pnbnet.in> (or pnbindia.in) as per tender schedule attached and shall be submitted online.
6. All the bidders are required to submit Demand Draft in favour of Punjab National Bank, New Delhi or online payment in non-customer account (i.e. A/c No: 1988002100141010 & IFSC Code: PUNB0976200) of ₹1770/- towards the cost of tender document and EMD of ₹1,36,000/- in form of Insurance Surety Bonds, Account Payee Demand Draft (in favour of PNB payable at New Delhi), Fixed Deposit Receipt (lien to be marked in favour of PNB), Bankers' Cheque (in favour of PNB) or Bank Guarantee (including e-Bank Guarantee) (from any Scheduled Commercial Bank other than PNB) or online payment in non-customer account (i.e. A/c No: 1988002100141010 & IFSC Code: PUNB0976200) of (the procuring office of Bank) by 11.07.2025 till 1200 hrs, failing which, the bids shall be summarily rejected.
7. Bidders may submit their queries regarding any technical clarification before 05.07.2025 up to 1700Hrs. No queries shall be entertained after last date fixed for acceptance of queries.
8. Pre-bid meeting is scheduled on 07.07.2025 at 1200hrs. Intending bidders who are willing to participate in the tendering process may attend the Pre-Bid meeting at scheduled time.
9. Clarifications of Bank on RFP may be downloaded from the "Corrigendum/ Addendums" section of the above mentioned portal up to 1100 hrs. on 08.07.2025 after clarification on queries. No deviation on the above shall be entertained by the Bank thereafter.
10. Based on the clarification of conditions by the Bank, an intending bidder shall submit its unconditional acceptance on the prescribed format along with tender document.
11. Bidders who have submitted Tender Fee and EMD in the non-customer Bank account specified in the tender document shall mandatorily submit copy of transaction receipt as proof of submission. Any other mode of payment, i.e.,

Insurance Surety Bonds, Account Payee Demand Draft, Fixed Deposit Receipt (lien to be marked in favour of PNB), Bankers' Cheque (in favour of PNB) or Bank Guarantee (including e-Bank Guarantee) (from any Scheduled Commercial Bank other than PNB) shall be submitted in original. Commercial bid of only those bidders shall be opened who submit their tender in line with requirements of tender documents and are acceptable to the Bank and the bidder who do not submit the EMD & tender fee, as the case may be, their tenders shall be summarily rejected.

First Tender Fee & E.M.D. Envelope shall be opened, and if the hard copy of the same is received on time i.e. up to 1200 Hrs on 11.07.2025 only then technical bid shall be opened online. Hard copy i.e. EMD amount of ₹1770/ and Tender Fee amount of ₹1,36,000/- is to be submitted physically by the bidder in the office of the **Chief Manager, Head Office, General Services Administration Division, Punjab National Bank, Dwarka, New Delhi – 110075**) on or before 1200 Hrs on 11.07.2025.

12. The commercial bid of technically eligible bidder who meets the eligibility criteria stipulated in tender documents will be opened online in the presence of participants or representatives of participant bidders as per the schedule attached. The Date for opening of commercial bids shall be intimated later.
13. The Tenders shall be valid for a period of not less than 90 days after the date of opening of commercial bid online.
14. All disputes arising out of or in connection with this agreement shall be deemed to have arisen in New Delhi and only the courts of New Delhi shall have the jurisdiction to determine the same.
15. Please note that “**hash submission**” and “**bid re-encryption**” are compulsory activities for participation in the bid. Further, all bidders who have submitted the bid with “hash submission”, will necessarily have to re-encrypt their bid, failing which the bid will remain encrypted and the bid will not be considered for opening.

For any further information/Queries please contact Smt Jyotsna Rai, Sr manager Civil, Punjab National Bank, Phone/ Mobile No: 9899629790, E-mail: maintenance@pnb.co.in

16. The Bank reserves the right to accept/reject any or all the offers submitted in response to this advertisement without assigning any reason whatsoever.
17. The Bank will not be bound to accept the lowest tender and reserves the right to accept or reject any or all the tenders without assigning any reasons whatsoever.
18. Please note that, on tendering procedure through the electronic tendering system refer to the Instructions for Using the Electronic Tendering System document available along with the tender documents on <https://etender.pnbnet.in>.
19. Bidder must submit documentary proof in respect of all above mentioned criteria while submitting the proposal. Proposal of bidders who do not fulfill the above criteria or who fail to submit documentary evidence thereon would be rejected.
20. Bidders registered under MSEs will also necessarily submit Tender Cost and EMD (There is no exemption for MSEs for procurement of works). If MSE bidders

do not enclose Tender Cost or EMD, their bid will be summarily rejected as NON-RESPONSIVE.

21. It shall be mandatory to sign the integrity pact as mentioned in tender documents **(for value of work greater than 60 lacs only)** by the bidder failing which bidder will stand disqualified for tendering process and their bid shall be rejected summarily.

Chief Manager

3. INSTRUCTION TO BIDDERS

1. BIDDING PROCESS (TWO STAGES)

For the present job, a three-envelope bidding process will be followed. The response to the present tender will be submitted in two parts:

- Technical bid
- Commercial bid

The bidders will have to submit the technical bid in Banks e-procurement system as well as in hard copy and commercial bids in only online form through Bank's e-procurement system.

1.1 TECHNICAL BID

TECHNICAL BID will also contain the Compliance statement as per the Terms & Conditions mentioned in the Tender Documents, and NOT contain any pricing or commercial information at all. Technical bid documents with any commercial information will be rejected.

In the first stage, only TECHNICAL BIDs will be opened and evaluated. Only those bidders confirming compliance to all the terms & conditions of Tender document shall be short-listed for commercial stage.

1.2 COMMERCIAL BID

In the second stage, the COMMERCIAL BID of only those bidders, whose technical bids are short listed, will be opened.

2. SUBMISSION OF BIDS

2.1 Bidders are required to strictly submit their bids in electronic form using the e-procurement system at <https://etender.pnbnet.in> the Bank by using their digital certificates of class II and above (both encryption and signing). All the interested bidders should register themselves in the e-procurement system <https://etender.pnbnet.in> for submitting the bids online, if they have not done earlier. The Tender document and further corrigendum, if any can also be downloaded from Bank's website www.pnbindia.in. Bids received after closing of the bid in the e-procurement system are summarily rejected without any reason. The commercial bid should be submitted online only.

Envelope No.1- Tender Cost & EMD – Marked Cover-I

- c. Commercial bid to be submitted in e-procurement process only. No hardcopy of the same be enclosed with the supporting documents. Submission of Commercial Bid along with Physical submission of tender document will summarily lead to rejection of the bid.

4. PRELIMINARY EXAMINATION

4.1 Bank will examine the bids to determine whether they are complete, whether any computational errors have been made, whether required information has been provided as underlined in the bid document, whether the documents have been properly signed, and whether bids are generally in order.

4.2 The bid determined as not in order as per the eligibility criteria will be rejected by the Bank. The decision of the Bank is final towards evaluation of the bid documents.

5. EVALUATION AND AWARD CRITERIA

5.1 After opening of the technical bids, all the documents and annexure (except commercial documents/offer) will be evaluated first by the Bank. First, received bids will be evaluated based on the eligibility criteria. Technical bids of only those bidders satisfying the eligibility criteria will be evaluated.

5.2 Only those bidders satisfying the technical requirements and accepting the terms and conditions of this document shall be short-listed for further steps.

5.3 PNB will determine to their satisfaction whether the bidder selected as having submitted the best evaluated responsive bid is qualified to satisfactorily perform the contract. The decision of PNB will be final in this regard.

5.4 The determination will take into account bidder's financial, technical and support capabilities, based on an examination of documentary evidence submitted by bidders in support of eligibility criteria. Further, to determine the Bidder's eligibility / past performance as part of evaluation of technical bid, Bank may, at its discretion:

- Carry out site visits at works previously executed by the bidder.
- Visit the workshops / manufacturing facilities etc. of the bidder.
- Seek Confidential Reports from previous clients of Bidder to ascertain their past performance.

The bidder shall have no objection to the above and shall extend their full cooperation, including coordinating the visits to their workshops or sites of their previous clients.

5.5 The award of contract will be based on evaluation of technical and commercial bids. The decision of the Bank is final towards evaluation of the bid documents.

4. PURPOSE OF TENDER

In Bank's Head office building a Sewerage Treatment Plant (STP) of capacity 125 KL (Kilo Litres) was installed in the year 2017. The Plant is installed in the third basement of building with double height structure.

The Plant is based on MBR technology with installation of 10 nos of MBR membranes of Make (Suez/GE now Veolia).

With the operation of plant the output of membrane has reduced and now bank want to replace the existing membranes along with installation of equipments and Upgradation of STP plant with auto backwash cycle system and other features.

5 ELIGIBILITY CRITERIA

1. The Bidder should possess the requisite experience, resources and capabilities in providing the services necessary to meet the requirements, as described herein. The Bidder should also possess the technical know-how and the financial wherewithal that would be required to complete the scope of work. The Bid must be complete in all respects and should cover the entire scope of work as stipulated in the tender document. Bidders not meeting the Eligibility Criteria will not be considered for further evaluation and bid submitted by them shall be summarily rejected.

This form is included in the tender documents only for the information of the bidders. Only the successful bidder will be in due course, required to complete the form.

8 GENERAL CONDITIONS OF CONTRACT (GCC)

Except where provided for in the description of the individual items in the Schedule of quantities and in the specification and conditions laid down herein after and in the drawings, the work shall be carried as per standard specifications and under the directions of the Bank.

1) INTERPRETATION

In construing these conditions, the specifications, the schedule of quantities, tender and agreement, the following words shall have the meaning herein assigned to them except where the subject of context otherwise requires :

- i. Employer: The term employer shall denote Punjab National Bank with their Head Office at Plot No. 4, Sector 10, Dwarka, New Delhi – 110075, and any of its employees or representative authorized to act on its behalf.
- ii. The Bank: The term Bank shall mean Punjab National Bank, the Employer.
- iii. The Engineer in charge: The term means Engineer of the Bank deployed to look after the work.
- iv. Contractor: The term Contractor shall mean M/s _____(name and address of the Contractor) and his/their heirs, legal representatives assigns and successors.
- v. Site: The site shall mean the site (.....) where the works are to be executed as shown within boundary on the Site Plan including any building and erections thereon allotted by the employer for the Contractor's use.
- vi. Site Engineer: The Site Engineer may be appointed by the Bank. The Bank may also determine the number of Site Engineers and the supporting staff at site office- to assist him/ her and also whether the Site Engineer shall be temporary or permanent. As far as possible, the Site Engineer should assume charge of his post before the Contractor reports onsite of work. Where more than one Site Engineer is appointed, one of them shall be designated as Senior Site Engineer by the Bank and the other Site Engineer shall be reporting to the Senior Site Engineer.
- vii. Specifications and Drawings: The work is to be carried out by the Contractor in accordance with drawings, specifications, the schedule of quantities and any further drawings, which may be supplied, or any other instruction, which may be given by the Employer from time to time during the execution of the work.
- viii. Drawings relating to work given to the Contractor together with a copy of schedule of quantities are to be kept at site and Employer shall be given access to such drawings or schedule of quantities whenever necessary.
- ix. In case any detailed drawings are necessary, Contractor shall prepare such detailed drawings and/or dimensional sketches therefore and have it confirmed by the employer prior to taking up such work.

- x. The Contractor shall ask in writing for all clarifications on matters occurring anywhere in drawings, specifications and schedule of quantities or to additional instructions at least ten (10) days ahead of the time when it is required for implementations so as to enable the Employer to give a decision thereon.
- xi. "The Work" shall mean the work or works to be executed or done under this contract.
- xii. "Act of Insolvency" shall mean any act as such as defined by the Presidency Towns Insolvency Act or Provincial Insolvency Act or any Amending Statutes.
- xiii. "The Schedule of Quantities" shall mean the schedule of quantities as specified and forming part of this contract.
- xiv. Order of precedence for any ambiguity in the schedule of quantities, general conditions, special conditions, specifications and drawings for the Contractor shall be as per the decision of the Employer and the same will be binding on the Contractor, and shall be read as under in the decreasing order of importance.
 - a) Schedule of Quantities.
 - b) Drawings.
 - c) Special Conditions
 - d) General Conditions.
 - e) Standard (Technical) Specifications of Contract.
 - f) C.P.W.D specifications.
 - g) Bureau of Indian Standards specifications.
 - h) State P.W.D./General Engineering Practice.
 - i) Integrity Pact.

Any ambiguity observed shall be brought to the notice of Employer and shall be executed only after obtaining approval from the Employer. In case of any ambiguity between the above, the most stringent one shall follow.

2) SCOPE OF WORK

The work consists of **Upgradation of existing 125 KLD Sewage Treatment Plant installed at Punjab National Bank's Head Office, Plot No.4, Sector 10, Dwarka, New Delhi-110075** in accordance with the "Schedule of Quantities". The Change of MBR Membrane and other Equipment of STP Plant etc. works are within the scope of this tender. It includes supply all materials, labour, tools and equipment and management necessary for and incidental to the completion of the work. All work, during its progress and upon completion, shall conform to the lines, elevations and grades as shown on the drawings furnished by the Employer. Should any detail essential for efficient completion of the work be omitted from the drawings and specifications it shall be the responsibility of the contractor to inform the Employer and to furnish and install such detail with Employer's concurrence only, so that upon completion of the proposed work the same will be acceptable and ready for use. Brief detail is as under:

- a) Design, Supply of material, equipment for revamping of existing STP plant
- b) Replacement of existing MBR membranes with new Membranes on new newly fabricated skid of SS 304.
- c) Mixer in anoxic tank
- d) Replacement of air diffusion system with fine bubble diffuser along with new piping

- e) Replacement of existing piping and installation of new piping , SS and CVPC
- f) Installation of backwash pumps along dosing pump and tank
- g) Installation of chain block system
- h) Replacement of media of softener and ACF
- i) Replacement/modification of existing control panel by using existing PLC and HMI for making the plant automated for backwash and other operations as per bank requirement
- j) Any other work which not mentioned in the BOQ but necessary for Upgradation of plant will be in scope of work.
- k) Shifting of permeate pump
- l) SITC of Electrical Panel
- m) SITC submersible sludge transfer pump
- n) Providing operation manual, log sheets, SOP, As build drawings
- o) Training to staff

Employer or his representative may in their absolute discretion issue further drawings and/or written instructions, details, directions and explanations, which are, hereafter collectively referred to as "The Employer's instructions" in regard to :

- a) The variation or modification of the design quality or quantity of works or the addition or omission or substitution of any work; or
- b) Any discrepancy in the drawings or between the schedule of quantities and/or drawings and/or specification; or
- c) The removal from the site of any defective material brought thereon by the contractor and the substitution of any other material thereof; or
- d) The demolition removal and/or re-execution .of any work executed by the contractors; or
- e) The dismissal from the work of any persons employed there upon; or
- f) The opening up for inspection of any work covered up; or
- g) The rectification and making good of any defects under clauses hereinafter mentioned and those arising during the maintenance period (retention period).

The contractor shall forthwith comply with and duly execute any work comprised in such Employer's or his representative's instructions, provided always that verbal instructions, Directions and explanations given to the contractor's or his representative upon the works by the Employer or his representative shall, if involving a variation, be confirmed in writing to the contractor(s) within seven days. No works for which rates are not specifically mentioned in the commercial bid shall be taken up without written permission of the Employer or his representatives. Rates of items not mentioned in the commercial bid shall be fixed by the Employer as provided in Clause "Variation/Deviation" hereunder.

Regarding all factory made products for which ISI marked products are available, only products bearing ISI marking shall be used in the work unless otherwise specifically requested by Bank.

3) VISIT OF SITE

Intending Bidder shall visit the site and make himself thoroughly acquainted with the local site conditions, nature and requirements of the works, facilities of transport conditions, effective labour and materials, accesses and storage for materials and removal of rubbish. The Bidder shall provide in their bid for cost of carriage, freight and other charges as also for any special difficulties and including police restriction for transport etc. for proper execution of work as indicated in drawings. The successful

Bidder will not be entitled to any claim of compensation for difficulties faced or losses incurred on account of any site conditions which existed before the commencement of the work or which in the opinion of the Employer might be deemed to have reasonably been inferred to be so existing before commencement of work.

4) TENDERS

The e-tender should be submitted by bidder duly quoted commercial bid and also digitally signed.

The commercial bid shall be filled in as follows:

- i. The rates column to be filled.
- ii. The employer reserves the right to reject the lowest or any tender.

The Bank reserves the right to accept the tender in full or in part and the bidder shall have no claim for revision of rate or other conditions if his tender is accepted in parts.

The bidders should note that the tender is strictly on item rate basis and their attention is drawn to the fact that the rates for each and every item should be correctly worked out and self-supporting. The Employer may call upon a bidder for the detailed analysis of any or all of the rates shall be quoted/submitted by the Contractor. The Employer shall not be bound to recognize the Contractor's analysis.

The works shall be paid for as "measured work" on the basis of actual work done and not as "lump sum" contract.

All items of work described in the schedule of quantities are to be deemed and paid as complete works in all respects and details including preparatory and finishing works involved directly related to and reasonably detectable from the drawings, specifications and schedule of quantities and no further extra charges shall be allowed in this connection. In the case of lump sum charges in the tender in respect of any item of works, the payment of such items of work shall be made for the actual work done on the basis of lump sum charges as shall be assessed to be payable by the Employer and the same shall be binding on the Contractor.

The Employer has power to add to, omit from any works as shown in drawings or described in specifications or included in schedule of quantities and intimate the same in writing to the Contractor. However, no addition, omission or variation shall be made by the Contractor in any of the works without authorization from the Employer, and any such variation by the Bank shall not vitiate the contract.

The bidder shall note that his bid shall remain open for consideration for a period of 90 days from the date of opening of commercial bid.

5) CONTACTING THE BANK

Any effort by a bidder to influence the Bank in evaluation of the bid, bid comparison or contract award decision may result in the rejection of the Bidders' bid. Bank's decision will be final and without prejudice and will be binding on all parties.

6) CLARIFICATIONS OF BIDS

The Bank to assist itself in the examination, evaluation and comparison of bids may, at its discretion, ask any bidder for a clarification. The response should be in writing and no change in the price or substance of the bid shall be sought, offered or permitted.

7) AMENDMENT OF BIDDING DOCUMENTS

At any time prior to the last Date and Time for submission of bids, the Bank at its sole discretion may, for any reason, modify the Bidding Documents through amendments. All amendments shall be uploaded on the Bank's websites (www.pnbindia.in and <https://etender.pnbnnet.in>) and shall be binding on all who are interested in bidding.

In order to provide prospective Bidders a reasonable time to take into account the amendment if any, while preparing their bid, the Bank may, at its discretion, extend the deadline for submission of bids.

8) MODIFICATION AND WITHDRAWAL OF BID BY THE BIDDER

- i. Modification of the submitted bid shall be allowed on-line and the bidder may modify and resubmit the bid on-line only before the deadline of Bid Hash Preparation. For modification of e-bid, bidder has to rework and upload/resubmit digitally signed modified bid on bank's e-tendering portal i.e. <https://etender.pnbnnet.in>.
- ii. Bids once submitted will be treated as final and no bid may be modified subsequent to the deadline for Bid Hash Preparation.
- iii. No bid may be withdrawn in the interval between the deadline for submission of bids and the expiration of period of bid validity specified in tender documents. For withdrawal of bid after the end date of online bid submission, the bidder will have to make a request in writing to Tender Inviting Authority of Bank. Withdrawal of bid may be allowed till issue of work order with the following provision of penal action:
 - a) If the request of withdrawal is received before fixing the date for opening of commercial bid, the EARNEST MONEY DEPOSIT submitted by bidder will be forfeited and bidder will be debarred for 6 months from participating in tenders in Punjab National Bank. The commercial bid of remaining technically qualified bidders will be opened and the tender process shall go on.
 - b) If the request of withdrawal is received after fixing the date for opening of commercial bid, the EARNEST MONEY DEPOSIT submitted by bidder will be forfeited and bidder will be debarred for 1 year from participating in tenders in Punjab National Bank. The commercial bid of all technically qualified bidders including this bidder (if he found technically eligible) will be opened and action will follow as under:
 - c) **If the bidder withdrawing his bid is other than L-1, the tender process shall go on.**
 - d) **If the bidder withdrawing his bid is L-1, the re-tendering shall be done.**

9) AGREEMENT

The successful Contractor may be required to sign agreement as may be drawn up to suit local conditions and shall pay for all stamps and legal expenses, incidental thereto.

10) RELATIONSHIP BETWEEN PARTIES:

The engagement of bidder shall not constitute the appointment of either Party as the legal representative or agent of the other Party. This engagement is on a Principal to Principal basis between the Parties hereto. No Party to this engagement shall have any right or authority to assume, create or incur any liability or any obligation of any kind, express or implied, against or in the name of or on behalf of the other Party to this Agreement except as may be specifically provided.

11) PUBLICITY

In connection with the transactions contemplated by this engagement/agreement each Party agrees that it will not use other Parties name, marks, symbols, or logos in any advertising, promotional material, press release, publication, public announcement, or through other media, whether written or oral, without the prior written consent of such other Party.

12) NON-EXCLUSIVITY:

It is expressly agreed that the engagement/agreement between the parties, shall be on a non-exclusive basis. Bank reserves its right to appoint/ engage one or more contractors/ agencies/ service providers to provide the like services or/ and work concurrently during the currency of engagement.

13) GOVERNMENT AND LOCAL RULES

The Contractor shall confirm to the provisions of all local Bye-laws and acts relating to the work and to the regulations etc. of the Government and local authorities and of any company with whose system the structure is proposed to be connected. The Contractor shall give all notices required by said act, rules, regulations and Bye- laws etc. and pay all fees payable to such concerned administrative/municipal authorities for execution of the work involved. The cost if any shall be deemed to have been included in his quoted rates, taking into account all liabilities for licenses etc. He shall indemnify the employer against such liabilities and shall defend all actions arising from such claims or liabilities.

14) TAXES AND DUTIES

The bidders must include in their quoted bid prices all duties, royalties, cesses, labour cess, GST or any other taxes or local charges, as applicable. TDS shall be deducted at source and the certificate in respect of TDS shall be issued by the Bank as per rule. Any variation in taxes and duties and/or imposing any new taxes and duties during currency of contract or extended period shall be borne by the bidder. No claim whatsoever on this account shall be entertained.

15) PROVISIONAL SUM (P.S.)

All provisional sums described in the schedule of quantities as P.S. shall be exclusively allotted to the purchase of materials and not for any handling and fixing to be done by the Contractor. Such cost of handling and fixing with profit (including transport charges if required) shall be separately included in the contract price as described in the schedule of quantities. The disposal of the amounts covered under this head shall be absolutely at the discretion of the Employer. The Contractor is liable to make payments for these materials to the suppliers on certificate or orders issued by the Employer and shall realize them through his bills from the Employer.

16) QUANTITY OF WORK TO BE EXECUTED

The quantities shown in the schedule of quantities are intended to-cover the entire work but the Employer reserves the right to execute only a part or the whole or any excess thereof without assigning any reason therefore and the same shall be binding on the Contractor.

17) OTHER PERSONS ENGAGED BY THE EMPLOYER

The employer reserves the right to execute any part of the work included in this contract or any work which is not included in this contract by other agency or persons and

Contractor shall allow all reasonable facilities and use of his scaffolding for the execution of such work.

18) TOTAL SECURITY DEPOSIT

The Total Security Deposit on the contract should be 8% of the contract amount. Total Security Deposit comprises of the following:

i) Earnest Money Deposit

The bidder will have to deposit Earnest Money Deposit (EMD) of ₹1,36,000/- (Rupees One Lakh Thirty Six Thousand only). EMD shall be accepted in form of Insurance Surety Bonds, Account Payee Demand Draft (in favour of Punjab National Bank payable at Delhi), Fixed Deposit Receipt (lien to be marked in favour of PNB), Bankers' Cheque (in favour of PNB) or Bank Guarantee (including e-Bank Guarantee) (from any Scheduled Commercial Bank other than PNB) or online payment in non-customer account (i.e. A/c No: 1988002100141010 & IFSC Code: PUNB0976200) of (the procuring office of PNB). EMD is to be submitted with Envelope-I. EMD should be valid within the bid validity period of 90 days after the date of opening of commercial bid. The bidder shall also extend the EMD validity without giving any reasons, for the duration whatever requested by the Bank.

Bid Securities (i.e. EMD) of unsuccessful bidders shall be returned within 30 days of declaration of result of technical evaluation. EMD of successful contractor be kept in sundries account of Bank. The employer is not liable to pay any interest on the Earnest Money.

ii) Performance Security

Performance Security will be 3% of the contract sum. This performance security will be inclusive of EMD amount. Successful Bidder need to submit the performance security within 3 days of award of work. The performance security can be submitted in form of Insurance Surety Bonds, Account Payee Demand Draft (in favour of Punjab National Bank payable at Delhi, Fixed Deposit Receipt (lien to be marked in favour of PNB), Fixed Deposit Receipt (lien to be marked in favour of PNB), Bankers' Cheque (in favour of PNB) or Bank Guarantee (including e-Bank Guarantee) (from any Scheduled Commercial Bank other than PNB) or online payment in non-customer account (i.e. A/c No: 1988002100141010 & IFSC Code: PUNB0976200) of (the procuring office of PNB). Performance security for works shall be returned to the Successful Bidder within 14 days after virtual completion of work

iii) Retention Money

- a) The retention percentage (i.e. deduction from the interim bill) shall be 8% of the gross value of each interim bill.
- b) The maximum amount of retention money shall be 5 % of the contract value.
- c) Retention amount will be refunded within 30 days after expiry of defects liability period provided he has satisfactorily carried out all the works, attended to all defects in accordance with the conditions of the Contract, including the site clearance.
- d) After completion of work, Retention money can be refunded after obtaining a Bank Guarantee of equivalent amount for a time period till the end of defect liability period plus claim period. Bank Guarantee should be from any Scheduled Commercial Bank other than Punjab National Bank. Claim period would be considered as mentioned on Bank Guarantee or 3 months after the end of defect liability whichever is later.

- e) Bank guarantee if any submitted by the contractor/bidder shall remain valid for a period of 90 days beyond the date of completion of all contractual obligations.

19) CONTRACTOR TO PROVIDE EVERYTHING NECESSARY

The Contractor shall provide everything necessary for the proper execution of work according to the intent and meaning of the drawings, schedule of quantities and specifications taken together whether the same may or may not be particularly shown or described therein provided that the same can reasonably be inferred there from and if the Contractor finds any discrepancies therein, he shall immediately and in writing refer the same to the employer whose decision shall be final and binding.

The rates quoted against individual items will be inclusive of everything necessary to complete the said items of work within the contemplation of the contract and beyond the unit price. No extra payments will be allowed for incidental or contingent work, labour and/or materials inclusive of all taxes and duties whatsoever except for specific taxes, if any, stipulated in the tender documents.

The Contractor shall supply, fix and maintain at his own cost for the execution of work, all tools tackles, machinery and equipment and all the necessary centering, scaffolding, fencing, boarding, watching and lighting by night as well as by day required not only for the proper execution and protection of the said work but also for the protection of the public and safety of any adjacent roads, streets, walls, houses, buildings all other erections, matters and things and Contractor shall take down and remove any or all such centering, scaffolding, planking, timbering, strutting, shoring etc. as occasion shall be required or when ordered to do so and shall fully reinstate and matters and things distributed during the execution of works to the satisfaction of the Employer.

The Contractor shall at all times give access to workers by the Employer or any men employed on the buildings.

20) TIME OF COMPLETION, EXTENSION OF TIME & PROGRESS CHART

20.1) Time of completion

The entire work is to be completed in all respects within the stipulated period **Three month** from the commencement date. Time is the essence of the contract and shall be strictly observed by the Contractor.

The work shall not be considered as completed until the Employer have certified in writing that work has been completed and the defects liability period shall commence from the date of such certificate.

20.2) Extension of Time

If, in the opinion of the Employer the works be delayed

- a) By reason of instruction from the employer in consequence of proceedings taken of threatened by or disputes, with adjoining or neighboring owners or
- b) By the works, or delay, of other contractors or tradesmen engaged or nominated by the Employer and not referred to in the specification or
- c) By reason of authorized extra and additions or
- d) By reason of any combination of workmen or strikes or lock-out effecting any of the building trades or
- e) From other causes which the employer may consider are beyond the control of the Contractor, the Employer at the completion of the time allowed for the contract, shall make fair & reasonable extension of the time for completion in respect therefore. In the event of the Employer failing to give possession of the

site upon the day specified above the time of completion shall be extended suitably.

In case of such strikes or lock-outs, as are referred to above, the Contractor shall immediately give the Employer, written notice thereof. Nevertheless, the Contractor shall use his best endeavors all that to prevent delay, and shall do all that may be reasonably required, to the satisfaction of the Employer to proceed with the works and on his doing so that it will be ground of consideration by the Employer for an extension of time as above provided. The decision of Employer as to the period to allow for an extension of time for completion hereunder (Which decision shall be final and binding on the Contractor) shall be promulgated at the conclusion of such strike or lock-out and the employer shall then, in the event of an extension being granted, determine and declare the final completion date. *The provision in clause 20.4 with respect to payment of liquidated damages shall, in such case, be read and construed as if the extended date fixed by the employer were substituted for and the damage shall be deducted accordingly.*

20.3) Progress of work

During the period of execution the Contractor shall maintain proportionate progress on the basis of a programmed chart submitted by the Contractor immediately before commencement of work and agreed to by the Employer. Contractor should also include planning for procurement for scarce material well in advance and reflect the same in the programmed chart so that there is no delay in completion of project. A Progress report of the work is to be submitted by the Contractor fortnightly in the format approved by the Employer.

20.4) Liquidated Damages

Should the work be not completed to the satisfaction of the Employer within the stipulated period, the Contractor shall be bound to pay to the employer a sum calculated as given below by way of liquidated damages and not as penalty during which the work remains un commenced or unfinished after the expiry of the completion date.

0.5% of the contract amount shown in the tender per week subject to the ceiling of 7.5% of the accepted contracted sum. Any delay beyond this, Punjab National Bank shall be free to terminate the contract and get the work done from an alternate source at the risk of the contractor.

21) TOOLS, STORAGE OF MATERIALS, PROTECTIVE WORKS AND SITE OFFICE REQUIREMENTS

The Contractor shall provide, fix up and maintain in an approved position proper office accommodation for the contractor's representative and staff which offices shall be open at all reasonable hours to receive instruction notices or communications and clear way on completion of the works and make good all work disturbed.

All drawings maintained on the site are to be carefully mounted on boards of appropriate size and covered with a coat of approved varnish. They are to be protected from ravages of termites, ants, and other insects.

The contractor shall provide at his own cost all artificial light required for the work to complete the work within the specified time.

The contractor shall arrange for temporary latrines and other welfare provision as per the applicable labour laws for the use of workers and field staff and keep the same in a

clean and sanitary condition to the satisfaction of the Public Health Authorities and shall cause such latrines and soil to be cleared away whenever necessary and shall make good all the works disturbed by these conveniences.

Every precaution shall be taken by the contractor to prevent the breeding of mosquitoes on the works during the construction, and all receptacles cisterns, water tanks etc. used for the storage of water must be suitably protected against breeding of mosquitoes. The contractor shall indemnify the Employer against any breach of rules in respect of anti-malarial measures.

The contractor shall not fix or place any placards or advertisement of any description or permit the same to be fixed or placed in or upon any boarding, gantry, building structure other than those approved by the Employer.

Protective- Measures: The contractor from the time of being placed in possession of the site must make suitable arrangements for watching, lighting and protecting the work, the site and surrounding property by day, by night, on Sundays and other holidays.

Contractor shall indemnify the Employer against any possible damage to the building, roads, or members of the public in course of execution of the work.

Storage of materials: The contractor shall maintain proper storage and adequate protection of the materials etc. and other work that may be executed on the site including the tools and materials and remove same on completion.

Godown shall be erected / provided for storing about six weeks' requirement of material. Structure shall be water-proof from all the sides and top. Material should be stored one feet-above the ground level and have pucca/ wooden raised floor.

Tools: Theodolite levels, prismatic compass, chain, steel and metallic tapes and all other surveying instruments found necessary on the works shall be provided by the contractor for the due performance of this contract as instructed by the Official assigned by Bank/ Site Engineer. All measuring tapes shall be of steel and suitable scaffolding and ladders that may be required for safely taking measurement shall be supplied by the contractor.

The mistries and the supervisors on the works shall carry with them always a one metre or two metre steel tape, a measuring tape of 30 metres, a spirit level, a plumb bob and a square and shall check the work to see that the work is being done according to the drawing and specifications. The Official assigned by Bank/ Site Engineer will use any or all measuring instruments or tools belonging to the contractors as he chooses for checking the works executed or being executed on the contract. The contractor should cover in his rates for making provision for all reasonable facilities for the use of his scaffolding, tools and plant etc., for their work and no claims shall be entertained afterwards by the Employer in any case whatsoever.

22) NOTICE AND PATENTS OF APPROPRIATE AUTHORITY AND OWNERS

The Contractor shall confirm to the provisions or any acts of the legislature relating to the work, and to the regulations and by-laws of any authorities, and / or any water, lighting and other companies, and / or authorities with whose system the structures were proposed to have renovated and shall before making any variation from the drawings or specifications that may be associated to so confirm, give the Employer written notice, specify the variations proposed to be made and the reasons for making them and apply

for instructions thereon. The Employer on receipt of such intimation shall give a decision within a reasonable time.

The Contractors shall arrange to give all notices required for by the said acts, regulations or By- laws to be given to any authority, and to pay to such authority or to any public officer all fees that may be properly chargeable in respect of the work and lodge the receipts with the Employer.

The Contractor shall indemnify the Employer against all claims in respect of patent rights, royalties, and damages to buildings, roads or member of public in course of execution of work and shall defend all actions arising from such claims and shall keep the Employer saved harmless and indemnified in all respects from such actions, costs and expenses.

23) CLEARING SITE AND SETTING OUR WORKS

The site shall be cleared of all obstructions, loose stone, and materials rubbish of all kinds.

24) CONTRACTOR IMMEDIATELY TO REMOVE ALL OFFENSIVE MATTERS FROM THE SITE

The Contractor shall keep the surroundings of work places free from water, debris and excess / waste materials at his own expenses Electrical or other power driven equipment to the satisfaction of the Employer for the purpose, until the site is handed over to the Employer. The Contractor shall arrange for the disposal of the same so accumulated to the satisfaction of the Employer and the local authority and no claims will be entertained afterwards if he does not include in his rates for the purpose.

25) ACCESS

Any authorized representative of the Employer shall at all reasonable times have free access to the works and / or to the workshops, factories or other places where materials are being prepared or constructed for the work and also to any place where the materials are lying or from where they are being obtained, and the Contractor shall give every facility to the Bank or their representatives necessary for inspection and examination and test of the materials and workmanship. Except the representatives of the Employer, no person shall be allowed at any time without the written permission of the Employer.

26) MATERIALS, WORKMANSHIP, SAMPLES, TESTING OF MATERIALS

All the works specified and provided for in the specification or which may be required to be done in order to perform and complete any part thereof shall be executed by the Contractor in the best and most workman like manner with materials of the best and approved quality of the respective kinds in accordance with the particulars contained in and implied by the specifications and as represented by the drawings or according to such other additional particulars and instructions as may from time to time be given by the Employer during the execution of the work, and to his entire satisfaction.

If required by the Employer the Contractor at his own cost shall have to carry out tests on materials and workmanship in approved materials testing laboratories or as prescribed by the Employer to prove that the materials etc. under test confirming to the relevant IS standards or as specified in the specifications. The necessary charges for preparation of sample, transporting, testing etc. shall have to be borne by the Contractor. No extra payment on this account would in any case be entertained by the Employer.

All the materials (except where otherwise described) stores and equipment required for the full performance of the work under the contract must be provided through normal channels and must include charge for import duties, sales taxes, octroi, GST and other charges and must be the best of their kind available and contractors must be entirely responsible for the proper and efficient carrying out of the work. The work must be done in the best workman like manner. Samples of all materials to be used must be submitted to the Employer when so directed by the Official assigned by Bank/ site Engineer and a written approval from Employer must be obtained prior to placement of order of such materials.

During the inclement weather the Contractor shall suspend works for such times as the Employer may direct and shall protect from damage all work during course of execution. Any damage (during repair & renovation) to any part of the work for any reason due to rain, storm or neglect of Contractor shall be rectified by the Contractor in an approved manner at no extra cost to the Bank.

Should the work be suspended by reason of rain, strike, lock-outs or any other cause, the Contractor shall take all precautions necessary for the protection of work and at his own expense shall make good any damage arising from any of these causes.

The Contractor shall cover up and protect from damage, from any cause, all new work and supply all temporary doors, protection to windows, and any other requisite protection for the execution of the work whether by himself or special tradesmen or sub-Contractor and any damage caused must be made good by the Contractor at his own expenses.

Contractor to carry out all mandatory tests as per CPWD specifications besides the tests required to be done as ordered and desired by the Bank to prove that quality of material conforms to tender provisions. Cost of such tests shall be borne by the contractor and no extra payment in this regard shall be payable.

27) REMOVAL OF IMPROPER WORK

The Employer shall during the progress of the work have power to order in writing from time to time the removal of any materials etc. from the work within such reasonable time or times as may be specified in the order which in the opinion of the Employer are not in accordance with specification or instructions. The employer shall have the said powers in case of the substitution or proper re-execution of any work executed with materials or workmanship is not in accordance with the drawings and specifications or instructions. In case the Contractor refuses to comply with the order the Employer shall have the power to employ and pay other agencies to carry out the work and all expenses consequent thereon or incidental there to as certified by the Employer. Such expenses or costs paid by the Employer shall be borne by the Contractor or may be deducted from any money due to or that may become due to the Contractor.

28) SITE ENGINEER

The term "Site Engineer" shall mean the person posted at site by Employer to superintend the work. The Contractor shall afford the Site Engineer every facility and assistance for examining the works and materials for checking and measuring work and materials. The Site Engineer shall have no power to revoke, alter, enlarge or relax any requirements of the Contractor or to sanction any day work, additions, alterations, deviations, or omissions or any extra work whatever, except in so far as such authority may be specially conferred by a written order of the Employer.

The Site Engineer shall have power to give notice to the Contractor or to his foreman of non- approval of any work or materials and such work shall be suspended or the use of such materials shall be discontinued until the decision of the Employer is obtained. The work will from time to time be examined by the Engineer from the premises department of the Employer and the Site Engineer, if any, but such examination shall not in any way exonerate the contractor from the obligation to remedy and defects which may be found to exist at any stage of the work or after the same is complete. Subject to the limitations of this clause, the Contractor shall take instruction only from the Employer.

29) CONTRACTOR'S EMPLOYEES

The Contractor shall employ technically qualified and competent supervisors for the work who shall be available (by turn) throughout the working hours to receive and comply with instructions of the Employer. The Contractor shall engage at least one experienced Engineer as Site-in-Charge for execution of the work. The Contractor shall employ in connection with the work persons having the appropriate skill or ability to perform their job efficiently.

The Contractor shall employ local labourers on the work as far as possible. No labourer below the age of eighteen years and who is not an Indian national shall be employed on the work. Any Labourer supplied by the Contractor to be engaged on the work on day work basis either wholly or partly under the direct order or control of the Employer or his Representatives, shall always be deemed to be a person employed by the Contractor.

The Contractor shall maintain relevant records and comply with the provisions of all applicable labour legislations, rules and regulations framed thereunder, both state and central, including but not limited to the requirements of:-

- a. The Payment of Wages Act 1936
- b. Employer's Liability Act 1938
- c. Workmen's Compensation Act 1923
- d. Contract labour (Regulation 7 Abolition) Act, 1970 and Central Rules 1974
- e. Apprentices Act 1961
- f. Minimum Wages Act 1948.
- g. Industrial Disputed Act. 1947.
- h. Maternity Benefit Act 1961.
- i. ESI Act.
- j. Payment of Bonus Act.
- k. Payment of Gratuity Act.
- l. The Employees' Provident Funds and Miscellaneous Provisions Act, 1952
- m. Any other Act are enactment relating thereto and rules framed there under from time to time.

The Contractor shall keep the Employer saved, harmless and indemnified against all the claims under applicable labour laws or otherwise, if any, of the workmen or any other person and all costs and expenses as any be incurred by the Employer in connection with any claim that may be made by any workman or any other person. The successful bidder shall be responsible for settling any claim / compensation against any and all damages and accidents caused due to negligence on the part of his employees/workers engaged by it for fulfilling the obligations under this agreement and keep Bank indemnified from any compensation / liability.

Bank shall not be responsible for any violation by the Contractor on the above mentioned acts/ rules. The Contractor shall be wholly/ solely responsible for any claim in the above referred subjects

The contractor shall be responsible for all statutory provisions and deductions towards ESI, PF or any other applicable Labour Laws, as the case may be or any other levies and taxes shall be borne by the contractors.

The contractor shall be responsible for payments of all statutory dues with respect to each of his personnel/employees engaged by him to render service under this Agreement with respect to each applicable/extant labour law. No dues/contributions under any labour legislations as applicable, remain payable by the Employer with respect to his personnel/employees, and the contractor shall produce all records to the Engineer-in-charge or any other statutory authority as and when called for. The Engineer-in-charge does not hold any responsibility on account of any lapses in this regard. The contractor shall submit an undertaking in this regard with each bill confirming payment of all dues of sub-contractors and all statutory wages to labour working under him/her/sub-contractor.

Bank shall not be held responsible for any penalty on failure of the any Labour Regulations. Bank shall have the power to inspect the Wage Register and for physical verification of salary paid to the staff with reference to any records of the Contractor and to insist the Contractor to comply with Laws.

The Contractors shall arrange to provide first-aid treatment to the labourers engaged on the works. He shall within 24 hours of the occurrence of any accident at or about the site or in connection with execution of the works, report such accident to the employer and also to the competent authority where such report is required by law.

30) DISMISSAL OF WORKMEN

The Contractor shall in the request of the Employer immediately dismiss from works any person employed thereon by him who may in the opinion of the Employer be unsuitable or incompetent or who may misconduct himself. Such discharges shall not be the basis of claim for compensation or damages against the Employer or any of its officers or employee.

31) ASSIGNMENT

The whole of the works included in the contract shall be executed by the Contractor and the Contractor shall not directly or indirectly transfer, assign or sublet the Contract or any part, share or interest therein nor, shall take a new partner without written consent of the Employer and no subletting shall relieve the Contractor from the full and entire responsibility of the contract or from active superintendence of the work during their progress.

32) PROTECTION OF WORKS AND PROPERTY

The contractor shall continuously maintain adequate protection of all his work from damage and shall protect the Punjab National Bank's properties from injury or loss arising in connection with the contract. He/ She shall make good any such damage, injury, loss, except due to causes beyond his control and due to his fault or negligence.

He/ She shall take adequate care and steps for protection of the adjacent properties. The contractor shall take all precautions for safety and protection of his temporary / permanent / contract employees/workers engaged on the works and shall comply with all applicable provisions of state/central Government and local bodies including all

applicable safety laws and building codes to prevent accidents, or injuries to persons or property of about or adjacent to the place of work.

The Contractor shall be responsible for all injury to the worker or workmen or persons, animals or things and for all damages to the project works, materials, equipment, structural and / or decorative part of property which may arise from the operations or neglect of himself or employees/workers whether such injury or damage arise from carelessness, accident or any other cause whatsoever in any way connected with the carrying out of this contract.

The clause shall be held to include inter-alia any damage to buildings whether immediately adjacent or otherwise and any damage to roads, streets, foot paths or ways as well as damages caused to the buildings and the works forming the subject of this contract by rain, wind or other inclemency of the weather.

The Contractor shall reinstate, rectify and remedy all damages of every sort mentioned in this clause so as to deliver the whole of the contract works complete and perfect in every respect and so as to make good or otherwise satisfy all claims for damages to the property or third party.

33) DAMAGE TO PERSONS AND PROPERTY

The Contractor shall be responsible for all injury to the worker or workmen or persons, animals or things and for all damages to the project works, materials, equipment, structural and / or decorative part of property which may arise from the operations or neglect of himself or employees whether such injury or damage arise from carelessness, accident or any other cause whatsoever in any way connected with the carrying out of this contract.

The clause shall be held to include inter-alia any damage to buildings whether immediately adjacent or otherwise and any damage to roads, streets, foot paths or ways as well as damages caused to the buildings and the works forming the subject of this contract by rain, wind or other inclemency of the weather. The Contractor shall indemnify the Employer and hold harmless in respect of all and any expenses arising from any such injury or damages to persons or property as aforesaid and also in respect of any claim made in respect of injury or damage under any acts of compensation or damage consequent upon such claim.

The Contractor shall reinstate, rectify and remedy all damages of every sort mentioned in this clause so as to deliver the whole of the contract works complete and perfect in every respect and so as to make good or otherwise satisfy all claims for damages to the property or third party.

34) INSURANCE

Unless otherwise instructed the Contractor shall insure the works for all risk (include fire & third party) of the Contractor for 125% of the total tender value in the joint names of the Punjab National Bank and the contractor (the name of Punjab National Bank placed first in the policy) and keep them insured until the virtual completion of the contract against any loss or damage of the material and of project. The insurance must be placed with a company approved by Punjab National Bank for such amount and for any further sum if called to do so by Punjab National Bank. The premiums of such further sum being allowed to the Contractor as an authorized extra. The Contractor shall deposit the policy

and receipt of premium paid with Punjab National Bank within three (3) days from the date of issue of work order unless otherwise instructed.

In default of the Contractor insuring as provided above, Punjab National Bank on its behalf may so insure and may deduct the premiums paid from any money due, or which may become due to the Contractor. The Contractor shall as soon as the claim under the policy is settled or the work reinstated by Insurance Company should they elect to do so, proceed with due diligence with the completion of the works in the same manner as though the fire has not occurred and in all respects under the conditions of the contract. The Contractor in case of rebuilding or reinstatement after fire shall be entitled to extension of time for completion, as the Employer may deem fit.

35) ACCOUNTS RECEIPT & VOUCHERS

The Contractor shall, upon the request of the Employer furnish them with all the invoices, accounts, receipts and other vouchers that they may require in connection with the works under this contract. If the Contractor shall use materials less than what he is required under the contract, the value of the difference in the quantity of the materials he was required to use and that he actually used shall be deducted from his dues. The decision of the Employer shall be final and binding on the Contractor as to the amount of such materials. The Contractor is required to use for any work under this contract.

36) MEASUREMENTS

Before taking any measurement of any work the Official assigned by Bank/ Site Engineer or a subordinate deputed by him shall give reasonable notice to the Contractor. If the Contractor fails to attend at the measurements after such notice or fails to countersign or to record the difference within a week from the date of measurement in the manner required by the Official assigned by Bank/ Site Engineer then in any such event the measurements taken by the Official assigned by Bank/ Site Engineer or by the subordinate deputed by him as the case may be is final and binding on the Contractor and the Contractor shall have no right to dispute the same.

37) PAYMENTS

All bills shall be prepared & submitted by the Contractor in the form prescribed by the Employer. Normally one interim bill shall be prepared each month subject to minimum value for interim certificate as stated in these documents. The bills in proper forms must be duly accompanied by detailed measurements in support of the quantities of work done and must show deductions for all previous payments, retention money etc. The bill shall be checked at site by Official assigned by Bank/ Site Engineer who shall issue a certificate after due scrutiny of the Contractor's bill which may be further verified by the Employer and the Contractor shall be entitled to payment thereof within the period of honouring certificates named in these documents, as per final verified amount by the Employer. In case of delay, an Adhoc advance of 75% of the billed amount /assessed work done may be paid on the request of the Contractor for the smooth progress of work at the sole discretions of the Bank.

The amount as stated in an interim certificate shall be the total value of work properly executed and secured advance on the materials as described under the heading of secured advance less the amount to be retained by the Employer as Retention Money vide clause 18 (iii) of these conditions and less installments previously paid under these conditions, provided that such certificate shall only include the value of said material and goods as and from such time as they are reasonably, properly and not prematurely brought to or placed adjacent to the work and then only if adequately protected against whether or other casualties.

The Employer will deduct retention money as described in Clause 18 (iii) of these Conditions. The refund of retention money will be made as specified in the said clause.

If the Employer had supplied any materials or goods to the Contractor, the cost of any such materials or goods will be progressively deducted from the amount due to the Contractor in accordance with the quantities consumed in the work.

All the interim payments shall be regarded as payment by way of advance against the final payments only and not as payments for work actually done and completed and shall not preclude the requirement of bad or unsound or imperfect or unskilled work to be removed and taken away and be reconstructed or re-erected or to be considered as an admission of the due performance of the contract or any part thereof in any respect or the accruing of any claim. Any interim payments shall not conclude determine or affect in any way the powers of the Employer under these conditions or any of them as to the final settlement and adjustment of the accounts or otherwise or in any other way to vary or affect the contract. The final bill shall be submitted by the Contractor within one month of the date fixed for completion of the work or of the date of certificate of virtual completion furnished by Employer and payment shall be made within 30 Days from the date of submission of appropriate invoice.

38) SECURED ADVANCE FOR MATERIAL AT SITE

The secured advance will be paid up to an amount not exceeding 75% of the invoiced value of the materials, (The amount of secured advance should not exceed 75% of the material element cost in the tendered rate of the finished item of work subject to ceiling of 65% of quoted rates) brought to site for permanent incorporation into the work up to the date of bill on production of supporting bills / vouchers. The secured advance on the non-perishable materials will be paid on execution of the indemnity bond/Bank guarantee.

39) FINAL PAYMENTS

The period of Final Measurements will be one (1) Month from the date of Completion. The final bill shall be accompanied by a certificate of completion from the Employer, payments of final bill shall be made after deduction of Retention Money as specified in clause 18 (iii) of these condition, which sum shall be refunded after the completion of the Defects liability period and rectification of defects to the entire satisfaction of the Employer. The acceptance of payments of the final bill by the Contractor would indicate that he would have no further claim in respect of the work executed.

40) VARIATION / DEVIATIONS

The Contractor may when authorized and shall, when directed in writing by the Employer add or omit, or vary the works shown in the drawings or described in the specifications or included in the commercial bid. The Contractor on his own accord shall make no addition omission or variation without such authorization or direction of the Employer. A verbal authorization of direction by the Employer shall when confirmed correctly by the Contractor in writing within 3 days shall be deemed to have been given in writing.

The Contractor shall send to the Employer once in every month a statement giving particulars, as full and as much detailed as possible, of all claims for any additional payment to which the Contractor may consider himself entitled and of all extra or additional works ordered by the Employer which he has executed during the preceding month.

No interim claim for payment for any such work or expense, will be considered which has not been included in such a statement provided always that the Contractor shall be entitled after taking Employer's sanction to authorize payment to be made for any such work or expense, notwithstanding the Contractor's failure to comply with this condition.

The rates for additional, altered substituted work shall be arrived at in accordance with the following rules:-

- i. The net rates in the commercial bid shall determine the valuation of (the rates for) the extra work (items) where such extra work is of similar character and is executed under similar conditions as the work price mentioned therein.
- ii. If the rates for the extra altered or substituted or (deviated) work are not provided for (available) in the schedule of quantities, they shall, to the extent possible be derived out of rate given in that schedule for similar or near similar items. For the purpose of such deviation, where necessary and when so directed, the Contractor shall furnish detailed analysis for the said similar or near similar items in the contract schedule.
- iii. In respect of contract which incorporates more than one schedule, the rate applicable in case (i) above if not provided for in the Schedule pertaining to the work in which the addition, alteration or substitution (deviation) occurs shall be taken as the lowest applicable rate in other schedules. Similarly in case (ii) above if similar in near similar items cannot be found in the schedule pertaining to the work in which the addition, alteration or substitution (deviation) occurs, similar or near similar items from the other schedule shall be adopted.
- iv. In the case of additional, altered substituted (deviated) for which rates cannot be reasonably be derived as at (ii) and (iii) above, the rates shall be worked out adopting market rate, substantiated by purchase bills / vouchers using factors and constants for quantum of materials, labour, T&P and sundries from standard analysis of rates adopted by the CPWD and adding 15% towards profit & overheads and taxes and multiplied by (total quoted tendered amount divided by estimated cost put to tender), if tendered amount is below the estimated cost put to tender. However, if tendered amount is above the estimated cost put to tender, the extra item shall be calculated by market rate analysis (i.e. market rates sustained by purchase bill / vouchers dependable printed price schedule of materials of different type shall be adopted, using factors and constant for quantum of materials, labour, T&P and sundries, from standard analysis of rates adopted by the CPWD, and adding 15% towards profit & overheads and taxes). When called upon to do so the Contractors shall submit his purchase bills / vouchers to the Employer.
- v. The question as to what particular items, being similar or near similar to the additional, altered or substituted (deviated) work in the contract schedule are to be adopted for deviation of rates for the additional, altered for substituted deviated work and whether the said rates cannot be derived from similar or near similar items in the contract schedule shall be decided by the Employer and the same shall be binding on the Contractor.
- vi. In case (ii) to (iv) the Contractor is required to submit his analysis of rates adopting the principles enunciated, after scrutinizing the analysis any other papers furnished will allow such rates as he considers reasonable after obtaining Employer's sanctions.

vii. Where extra work is of such a nature that it cannot be properly measured or valued, the Contractor shall be allowed day work priced at the net rates stated in the tender or commercial bid or if not so stated then in accordance with the minimum local day work rates and wage for the district notified by the concerned authority provided that in either case if required by the Employer, vouchers, muster rolls and other documents, required for proper verification of the labour employed and the materials deployed on the said work and the costs thereof be delivered to the Official assigned by Bank/ site Engineer or his representative on or before the end of the week following that in which work has been executed.

viii. The question as to whether extra work is of such nature that it cannot be properly measured or valued will be decided by the Employer. The margin to be allowed on actual costs to the Contractor towards profit and overhead shall be 15% and taxes and multiplied by (total quoted tendered amount divided by estimated cost put to tender), if tendered amount is below the estimated cost put to tender. However, if tendered amount is above the estimated cost put to tender, the extra item shall be calculated by market rate analysis (i.e. market rates sustained by purchase bill / vouchers dependable printed price schedule of materials of different type shall be adopted, using factors and constant for quantum of materials, labour, T&P and sundries, from standard analysis of rates adopted by the CPWD, and adding 15% towards profit & overheads and taxes).

41) DEVIATION FOR TENDER QUANTITIES UPTO 25% & ABOVE 25%

The tender rates shall hold good for any increase in the tendered quantities up to variation of 25%. In case tender quantities of an individual item exceeds the deviation limit of 25% the rates for the excess quantities over and above the deviation limit shall be payable as per market rates analysis or quoted rates in tender, whichever is lower. The market rates analysis sustained by purchase vouchers / bill using constant only of materials, Labour, T&P etc. from all Indian Standard analysis of rates published by Delhi Analysis of Rates with 15% towards Contractors profit. & Overheads and taxes.

42) SUBSTITUTION

Should the Contractor desire to substitute any materials and workmanship, he/they must obtain the approval of the Employer in writing for any such substitution well in advance. Materials designated in this specification indefinitely by such terms as "Equal" or "other approved" etc., specific approval of the Employer has to be obtained in writing. The rate of substitution item shall be calculated as per market rate analysis, sustained by purchase vouchers / bill using constant only of materials, labour, T&P etc. from all Indian Standard analysis of rates published by CPWD with 15% towards Contractors profit & Overheads and taxes and multiplied by (total quoted tendered amount divided by estimated cost put to tender), if tendered amount is below the estimated cost put to tender. However, if tendered amount is above the estimated cost put to tender, the extra item shall be calculated by market rate analysis (i.e. market rates sustained by purchase bill / vouchers dependable printed price schedule of materials of different type shall be adopted, using factors and constant for quantum of materials, labour, T&P and sundries, from standard analysis of rates adopted by the CPWD, and adding 15% towards profit & overheads and taxes).

43) PREPARATION OF BUILDING WORKS FOR OCCUPATION AND USE ON COMPLETION

The whole of the work will be thoroughly inspected by the Contractor and deficiencies and defects put right. On completion of such inspection and Contractor shall inform the Employer that he has completed the work and it is ready for inspection.

On completion, the Contractor shall clean all equipment's and does the painting work etc. He will leave the entire installation neat and clean and ready for immediate use and to the satisfaction of the Bank.

44) CLEARING SITE ON COMPLETION

On completion of the works, the Contractor shall clear away and remove from the site all constructional plant, surplus materials, rubbish and temporary works of every kind and leave the whole of the site and the works clean and in a workman like condition to the satisfaction of the Employer.

45) DEFECTS AFTER COMPLETION

The defects liability period (D.L.P.) shall commence from the certified date of Virtual Completion issued by the Employer. The Contractor shall make good at his own cost and to the satisfaction of the Employer all defects, other faults which may appear within twelve (12) Months after completion of the work. In default, the Employer may employ and pay other persons to amend and make good such damages, losses and expenses consequent thereon or incidental thereto shall be made good and borne by the Contractor and such damages, losses and expenses shall be recoverable from him by the employer or may be deducted by the Employer, in lieu of such amending and making good by the Contractor, deduct from any money due to the Contractor a sum equivalent to the cost of amending such work and in the event of the amount retained being insufficient, recover that balance from the Contractor from the amount retained under clause no. 18 together with any expense the Employer may have incurred in connection therewith.

46) CONCEALED WORK

The Contractor shall give due notice to the Employer whenever any work is to be buried in the earth, concrete or in the bodies of walls or otherwise becoming inaccessible later on, in order that the work may be inspected and correct dimensions taken before such burial, in default whereof the same shall, at the option of the employer be either open up for measurement at the Contractor's expense or no payment may be made for such materials. Should any dispute or difference arise after the execution of any work as to measurements etc., or other matters which cannot be conveniently tested or checked, the notes of the Employer shall be accepted as correct and binding on the Contractor.

47) WATCH AND LIGHTING

The Contractor shall provide and maintain at his own expense all lights, guards, fencing and watching when and where necessary or required by Employer for the protection of the works or for the safety and convenience of those employed on the works or the public.

48) CONTROL RECORDS

The under noted record books at the site of work shall be maintained in addition to normal routine requirements by the Contractor at all times which shall be made accessible to the Employer as and when required by it:

- a. Work site order book.
- b. Instruction by Bank's officers.
- c. Test registers of other materials / fittings fixtures equipment as stipulated in the tender.
- d. Register of drawings and working details.
- e. Log book of defects.

- f. Hindrances register giving details of commencement and removal of each hindrance.
- g. Dismantled materials account register.
- h. Specifications of C.P.W.D. & I.S.I. as applicable to the contract.

These registers are required to be signed by the Official assigned by Bank/ Site Engineer.

49) SECURITY ARRANGEMENT

The following arrangement shall be ensured by the Contractor:

- i. Proper arrangements to keep all records under lock and key.
- ii. Watch and ward and security of materials; and
- iii. Movement of material and stores, shall be through Bank gate pass only.

When the work is completed to the satisfaction of the Employer and handed over to the Bank, the responsibility of proper security arrangement then shall rest with the Bank.

50) HANDING OVER BUILDING / PROJECT WORK TO THE EMPLOYER

All the handing and taking over report and inventories / statement shall be prepared in quadruplicate. Such reports and inventories shall be signed by:

- i. The Contractor (only the relevant papers).
- ii. Official assigned by Bank/ Site Engineer, and
- iii. Competent Authority in the Bank.

The following inventories / statements shall be prepared:

- i. Inventory of all equipments; and
- ii. Information folders & test reports for installations and as built drawings.

The Engineer on behalf of the Employer associated with this operation, shall be apprised of the importance to carry out periodic inspections (at two months interval) for defects not rectified or fresh ones that crop up and issuing notice for their rectification to the concerned Contractors and the final inspection just before the expiry of the defects liability period.

51) SAFETY CODES

i) SCAFFOLDING

a. Suitable scaffolds shall be provided for workmen for all works that cannot safely be done from the ground, or from solid construction except in the case of short duration work which can be done "safely from ladders" when a ladder is used, it shall be of rigid construction made either of good quality wood or steel. The steps shall have a minimum width of 450 mm and a maximum rise of 300 mm. Suitable hand hold of good quality wood or steel shall be provided and the ladder shall be given an inclination not steeper than 1/4 to 1 (1/4 horizontal and 1 vertical).

b. Scaffolding or staging more than 4M, above the ground floor, swung or suspended from an overhead support or erected with stationery support shall have a guard rail properly bolted, braced or otherwise secured, at least 1M, above the floor or platform of such scaffolding or staging and extending along the entire length of the outside and ends thereof with only such openings as may be necessary for the delivery of materials. Such scaffolding or staging shall be so fastened as to prevent it from swaying from the building or structure.

c. Working platforms, gangways and stairway shall be so constructed that they do not sag unduly or unequally and if the height of the platform, gangway or stairway is

more than 4m, above ground level or floor level, they shall be closely boarded and shall have adequate width and be suitably fenced as described in (ii) above.

d. Every opening in the floor of a building or in a working platform shall be provided with suitable means to prevent the fall of persons or materials by providing suitable fencing or railing whose minimum height shall be 1M.

e. Where ever there are open excavations in ground, they shall be fenced off by suitable railing and danger signals installed at night so as to prevent persons slipping into the excavations.

f. Safe means of access shall be provided to all working places. Every ladder shall be securely fixed. No portable single ladder shall be over 9M, in length while the width between side rails in rung ladder shall in no case, be less than 290 mm, for ladder up to and including 3M, in length for longer ladders this width shall be increased at least 20 mm for each additional meter of length.

g. A sketch of the ladders and scaffolds proposed to be used shall be prepared and approval of the Engineer obtained prior to construction.

ii) OTHER SAFETY MEASURES

a. All personnel of the Contractor working within the site shall be provided with safety helmets. All welders shall wear welding goggles while doing welding work and all metal workers shall be provided with safety gloves. Persons employed on metal cutting and grinding shall wear safety glasses.

b. Adequate precautions shall be taken to prevent danger from electrical equipment. No materials on any of the sites of work shall be so stacked or placed as to cause danger or inconvenience to any person or the public.

e. The Contractor shall at all times be liable to comply with the applicable labour laws relating to the safety of the workers engaged by it.

iii) DEMOLITION/DISMANTLING

Before any demolition/dismantling work is commenced and also during the process of the work:

a. No electric cable or apparatus which is liable to be a source of danger over a cable or apparatus used by the operator shall remain electrically charged.

b. All practical steps shall be taken to prevent danger to persons employed from the risk of fire or explosion or flooding. No floor, roof or other part of the building shall be so over-loaded with debris or materials as to render it unsafe.

iv) PERSONAL SAFETY EQUIPMENTS

All necessary personal safety equipment as considered adequate by the Engineer including but not limited to the following should be kept available by the Contractor for the use of person/ workers employed/engaged on the site and maintained in a condition suitable for immediate use, and the Contractor should take adequate steps to ensure proper use of equipment by those concerned.

i. Those engaged in white washing and mixing or stacking or cement bags or any materials, which are injurious to the eyes, shall be provided with protective goggles.

ii. Those engaged in welding works shall be provided with welder's protective eyesight lids.

iii. Stonebreakers shall be provided with protective goggles and protective clothing and seated at sufficiently safe intervals.

iv. The Contractor shall not employ men below the age of 18 years and women on the work of painting with products containing lead in any form. Wherever men above the age of 18 years are employed on the work of lead painting, the following precaution should be taken:

- a) No paint containing lead or lead products shall be used except in the form of paste or ready-made paint.
- b) Suitable face masks should be supplied for use by the workers when paint is applied in the form of spray or a surface having lead paint dry rubbed and scrapped.
- c) Overalls shall be supplied by the Contractor to the workmen and adequate facilities shall be provided, to enable the working painters during the execution of work.

When the work is done near any public place where there is risk of drowning all necessary equipments should be provided and kept ready for use and all necessary steps taken for prompt rescue of any person in danger and adequate provision should be made for prompt first aid treatment of all injuries likely to be sustained during the course of the work.

52) RIGHTS OF TECHNICAL SCRUTINY BY CHIEF TECHNICAL EXAMINER

The work is liable to be technically audited by the Chief Technical Examiner of the Central Vigilance Commission, Government of India from time to time. Any defects, improvements or testing etc. pointed out by the Chief Technical Examiner should be carried out by the Contractor at his own cost and any deduction suggested by the CTE will be affected.

The Employer shall have a right to cause a technical examination and audit of works and the final bills of the Contractor including all supporting vouchers, abstract etc. to be made at the time of payment of the final bill. If as a result of this examination or otherwise any sum is found to have been over paid in respect of any work done by the Contractor under the contract the Contractor shall be liable to return the amount of over payment and it shall be lawful for the Employer to recover the same from him from any sum or sums due to him and in any other manner legally permissible and if it is found that the Contractor was paid less than what was due to him under the contract in respect of any work executed by him under it, the amount of such under payment shall be duly paid by the Employer.

Any sum of money due and payable to the Contractor (including Security Deposit returnable to him) under this contract may be appropriated by the Employer and set off against any claim of the Employer of the payment of a sum of money arising out of or under any other contract made by the Contractor with Employer.

53) IDLE LABOUR

Whatever the reasons may be, no claim for idle labour, additional establishment cost of hire and labour charges of tools and plants would be entertained under any circumstances by the Employer and the decision of the Employer shall be binding on the Contractor.

54) FORCE MAJEURE

Any failure or delay by bidder or Bank in performance of its obligations, to the extent due to any failure or delay caused by fire, flood, earthquake or similar elements of nature, or acts of God, war, terrorism, riots, civil disorders, rebellions or revolutions, acts of governmental authorities or other events beyond the reasonable control of non-performing Party, is not a default or a ground for termination.

Such events may include, but are not restricted to, war or revolution and epidemics. If a force majeure situation arises, the Contractor shall notify within ---days the Bank in writing of such condition and the cause thereof. Unless otherwise directed by the Bank in writing, the Contractor shall continue to perform its obligation under the contract to the extent possible mitigate the consequences of the force majeure event and make all necessary alternative arrangements to perform their obligations and accordingly , and shall seek all alternative means of performance not prevented by the force majeure event.

Provided further that in case of delay of Services, which shall be solely decided by the Bank, the Bank shall not be held liable for non-performance of its obligations under the Agreement and the Bank shall have the right to terminate this Agreement without giving any further notice to the Vendor. Further, Bank also reserves the right to assign the work to other Vendor without any consequences and claims at the risk and cost/ responsibility of the contractor.

55) SUSPENSIONS

If the Contractor, except on account of any legal restraint upon the Employer preventing the continuance of the work, abandons, suspends work or in the opinion of the Employer, the Contractor neglects or fails to proceed with due diligence in the performance of his part of the contract, the Employer shall have the power to give notice in writing to the Contractor requiring the work be proceeded within a reasonable manner and with reasonable dispatch, such notices purport to be a notice under this clause.

After such a notice is served upon the Contractor, , the Contractor shall not be at liberty to remove from the site of the works or from any ground contiguous thereto any plant or materials , and such an obligation shall subsist from the date of such a notice being served until the notice be complied with by the Contractor. If the Contractor fails s to comply with such a notice for a period of 7 (seven) days to proceed with the works as therein prescribed, the Employer may proceed as provided in clause 59 (Termination of contract by Employer).

56) DELINQUENCIES OF CONTRACTORS

The under noted delinquencies/ defaults/ misconduct/ misdemeanors on the part of bidder or enlisted contract will attract disciplinary action in accordance with the clause 58 mentioned herein below:

- i. Incorrect information about credentials, about his performance, equipment, resources, technical staff etc.
- ii. Non-submission of the fresh/ latest Income Tax Clearance certificate.
- iii. Irregular tendering practice.
- iv. Submission of tender containing for too many arithmetical errors and freak rates.
- v. Revocation of a tender without any valid reasons.
- vi. Tardiness in commencing work.
- vii. Poor organization at site & lack of his personal supervision.
- viii. Ignoring Employer's Notices for replacement/ rectification of rejected materials, workmanship etc.
- ix. Violation of any of the important conditions of contract, i.e. site facilities, insurance, labour laws, ban on subletting etc.
- x. Lack of promptitude and co-operation in measurement of work and settlement of final account.
- xi. Non-submission of vouchers and proofs of purchase etc.
- xii. Tendency towards putting up - false and untenable claims.
- xiii. Tendency towards suspension of work for frivolous reasons.

- xiv. Bad treatment of labour.
- xv. Bad treatment of Sub-Contractors (piece workers) and un-business like dealing with suppliers of materials.
- xvi. Lack of co-operation with nominated Contractors or Employer's Labour.
- xvii. Contractor becoming Bankrupt or insolvent.
- xviii. Contractor's conviction by any court of law.
- xix. Failure to satisfactorily rectify defects during Defects Liability period (DLP) and discovery of latent defects in Contractors work after the expiry of DLP of his contract.

57) DISCIPLINARY ACTION AGAINST (DELINQUENCIES OF) CONTRACTOR.

The award of the under noted disciplinary action shall be considered:

- i. Placing of an embargo on the issue of tenders or temporary suspension from the Employer's approved list.
- ii. Permanent ban on issue of tenders & removal from the Employer's approved list.
- iii. Circulation of the Contractor name to other public Undertaking or Government Department or concerned regulatory authorities of Contractor, if any, for non-entertainment of this publication for contract work.

58) TERMINATION OF CONTRACT BY EMPLOYER

In the following circumstances/ events, the contract shall be terminated by the Employer:-

- i. If the Contractor being a company goes into liquidation whether voluntary or compulsory; or
- ii. Being a firm, stand dissolved; or
- iii. If the official assignee in insolvency or receiver of the contractor in insolvency, repudiates the contract; or.
- iv. If receiver of the contractor's firm appointed by the court shall be unable to, within 14 days after notice to him requiring him to do so, to show to the reasonable satisfaction of the employer that he is able to carrying out and fulfill the contract and if so required by the employer to give reasonable security therefore.
- v. If the contractor:
 - a) Suffers execution to be issued;
 - b) Suffers any payment under this contract to be attached by or on behalf of and of the creditors of the Contractor;
 - c) Assigns, charges or encumbers this contract or any payment due or which become due to the contractor hereunder
 - d) Neglects or fails to observe and perform all or any of the acts, matters of things by this contract, to be observed and performed by the Contractor within three clear days after the notice shall have been given to the Contractor in manner hereinafter mentioned requiring the Contractor to observe or perform the same
 - e) Uses improper materials or workmanship in carrying on the works
 - f) In the opinion of the Employer does not exercise such due diligence and make such due progress as would enable the work to be completed within due time agreed upon, and fails to proceed to the satisfaction of the Employer after three clear days' notice requiring the Contractor so to do shall have been given to the Contractor as hereinafter mentioned,
 - g) Breaches any of the conditions of the contract in any of the abovesaid cases or otherwise;
 - h) Any threat is perceived or observed on the security of Bank's data / property out of any action by the staff deployed for monitoring / configuration etc., by service provider.

The Bank may notwithstanding previous waiver determine the contract by a notice in writing to the effect as hereinafter mentioned, but without thereby effecting the powers of

the Employer & the obligations & liabilities of the contractor the whole of which shall continue in force as fully as if the contract, had not been so determined and as if the works subsequently executed had been executed by or on behalf of the contract (without thereby creating any trust in favour of the contractor).

Further the Employer or his agent, or servant:

- i. may enter upon and take possession of the work and all plants, tools, scaffoldings, sheds, machinery, steam and other power utensils and materials lying upon premises or the adjoining lands or roads and sell the same as his own property;
- ii. may employ the same by means of his own servants and workmen in carrying on and completing the works;
- iii. by employing any other Contractors or other persons or person to complete the works and the Contractor shall not in any way interrupt or do any act, matter of thing to prevent or hinder such other Contractors or other persons or persons employed for completing and finishing or using the materials and plants for the works.

When the works stands completed, or as soon thereafter as conveniently may be, the Employer shall give notice in writing to the Contractor to remove his surplus materials and plants, and should the Contractor fail to do so within a period of fourteen (14) days after receipt of the notice by him, the Employer may sell the same by public auction and shall give credit to the Contractor for the amount so released.

Any expenses or losses incurred by the Employer in getting the works carried out by other Contractors shall be adjusted against the amount payable to the Contractor by way of selling his tools and plants, or due on account of work carried out by the Contractor prior to engaging other Contractors or against the Security Deposit.

59) DISPUTES AND ARBITRATION:

All disputes or differences, whatsoever, arising between the parties out of or in relation to the terms and conditions, meaning and operation or effect of this Agreement or breach thereof shall be settled amicably.

In case they are not able to settle the disputes or differences between them amicably, the matter may be referred to a sole arbitrator mutually agreed upon after issue of at least thirty (30) days' notice in writing to the other party clearly setting out there in the specific disputes and the same shall be settled by arbitration in accordance with the Indian Laws relating to arbitration, i.e. in accordance with the provision of the Indian Arbitration and Conciliation Act, 1996 and Rules and Regulations framed thereunder including all amendments up to date and the award made in pursuance thereof shall be binding on the parties. The matter may be referred to a sole arbitrator nominated by the Bank, who shall give a reasoned award and the award made in pursuance thereof shall be binding on the parties.

The venue of arbitration shall be

All arbitration proceeding shall be conducted in English and a daily English record of such proceeding shall be maintained.

Any appeal against the arbitration award will be subject to the jurisdiction of courts at only.

The Contractor shall continue to work under the work Contract during the arbitration proceedings unless otherwise directed in writing by the bank, unless the matter is such

that the works/services cannot possibly be continued until the decision of the arbitrator or of the presiding arbitrator, as the case may be, is obtained.

However during such a contingency, the Bank shall be entitled to make alternative arrangements to tackle the situation in any manner it deems fit, at the cost of the Vendor which may also be adjusted by the Bank from the Performance Bank Guarantee, being treated as default so that the business of the Bank is not disrupted.

60) EXCEPTED MATTERS FROM ARBITRATION

If the dispute or difference pertains to the under noted matters (called excepted matters) the decision in writing of the Employer shall be final, conclusive and binding on the parties.

- a. Instructions given by the Employer;
- b. Transactions with local authorities.
- c. Proof of quality of materials.
- d. Assigning or under letting of the contract
- e. Certificate as to the causes of delay on the part of the Contractor and justifying extension of time.
- f. Rectifying of defects pointed out during the defects liability period.
- g. Notice to the Contractor to the effect that he is not proceeding with due diligence.
- h. Certificate that the Contractor has abandoned the contract.
- i. Notice of the determination of the contract by the Employer.

61) OTHER TERMS & CONDITIONS:

Bank shall not entertain any claim arising on account of damages, compensation or expenses payable as a result of any accident or injury sustained by any workman/staff of the bidder or any claim under the Workman's Compensation Act. The bidder may obtain necessary insurance cover to meet any of the above contingencies.

The Contractor and his staff shall abide by the regulations/requirements of Security Department and strictly follow the rules. Bank's security staff will have the right to check, search or interrogate any of the Contractor's staff while entering/ remain present/ leaving the Bank premises for security purposes.

The bidder shall be responsible for any loss/damage to the materials and other assets of the Bank by his staff deployed for duty.

The bidder shall also be wholly responsible for theft, burglary, fire or any other mischievous act and conduct done by their staff.

NOTICES

Notices as required by the agreement that shall be entered with the successful bidder shall be sent to the addresses as would be mentioned first therein or such other addresses as the Parties may designate from time to time, and shall be sent by certified or registered mail with acknowledgement due on receipt.

62) CLAUSES REGARDING BIDDERS FROM COUNTRIES SHARING LAND BORDER WITH INDIA

- i. Any bidder from a country which shares a land border with India will be eligible to bid in any procurement whether of goods, services (including consultancy services and non-consultancy services) or works (including turnkey projects) only if the bidder is

registered with the Competent Authority. Further, any bidder (including bidder from India) having specified Transfer of Technology (TOT) arrangement with an entity from a country which shares a land border with India, shall also require to be registered with the same competent authority.

ii. "Bidder" (including the term 'bidder', 'consultant' or 'service provider' in certain contexts) means any person or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated hereinbefore, including any agency branch or office controlled by such person, participating in a procurement process.

iii. "Bidder (or entity) from a country which shares a land border with India" for the purpose of this Order means: -

- a) An entity incorporated, established or registered in such a country; or
- b) A subsidiary of an entity incorporated, established or registered in such a country; or
- c) An entity substantially controlled through entities incorporated, established or registered in such a country; or
- d) An entity whose beneficial owner is situated in such a country; or
- e) An Indian (or other) agent of such an entity; or
- f) A natural person who is a citizen of such a country; or
- g) A consortium or joint venture where any member of the consortium or joint venture falls under any of the above

iv. The beneficial owner for the purpose of (iii) above will be as under:

a) In case of a company or Limited Liability Partnership, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has a controlling ownership interest or who exercises control through other means.

Explanation: -

i. "Controlling ownership interest" means ownership of or entitlement to more than twenty-five per cent. of shares or capital or profits of the company;

ii. "Control" shall include the right to appoint majority of the directors or to control the management or policy decisions including by virtue of their shareholding or management rights or shareholders agreements or voting agreements;

b) In case of a partnership firm, the beneficial owner is the natural person(s) who, whether acting alone or together, or through one or more juridical person, has ownership of entitlement to more than fifteen percent of capital or profits of the partnership;

c) In case of an unincorporated association or body of individuals, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals;

d) Where no natural person is identified under (a) or (b) or (c) above, the beneficial owner is the relevant natural person who holds the position of senior managing official;

e) In case of a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

- v. An Agent is a person employed to do any act for another, or to represent another in dealings with third person.
- vi. The successful bidder shall not be allowed to sub-contract works to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority.
- vii. The registration shall be valid at the time of submission of bid and at the time of acceptance of bid.
- viii. If the bidder was validly registered at the time of acceptance / placement of order, registration shall not be a relevant consideration during contract execution.

9 SPECIAL CONDITIONS OF CONTRACT

- 1) The bidder shall acquaint himself with the proposed site of work before quoting his rates. The contractor should note and bear in mind that the Bank shall bear no responsibility for the lack of acquaintance of site and other conditions or any information relating thereto or on their part.
- 2) If for any reasons, any part of the site is not available temporarily for some time for part of the work under the contract, the agreed construction schedule shall be suitably modified and contractor shall diligently divert his men and materials to utilize them appropriately, profitably and no claim of damages whatsoever shall be entertained on this account. However, the contractor shall be allowed extension of time for completing the work as deemed fit by the competent authority. The contractor shall also not be entitled to any compensation for any loss suffered by him and revision in the rates quoted by him.
 - a. On account of delay in commencing the work by the contractor.
 - b. On account of reduction in the scope of work.
 - c. On account of suspension of work or abandoned after award of work.
- 3) The contractor shall provide, at his own cost instruments for weighing and measuring purpose at the site of work as may be necessary for execution of the work.
- 4) The contractor shall construct a sample unit of different activities complete in all respect as per the directions of the Engineer-in-charge. This sample unit shall be got approved from the Engineer-in-charge before commencing the mass work.
- 5) The contractor shall take care of all safety precautions pertaining to construction of work, such as scaffolding, ladder, working platforms, gangways, electric arc/ gas welding, use of hoist and construction machinery. Nothing extra shall be paid for scaffolding for any of the items of work unless specifically mentioned in the nomenclature. Contractor should quote rates accordingly.
- 6) On account of security consideration, some restrictions may be imposed by the security staff on the working and/ movement of men and materials etc. The contractor shall be bound to follow all such restrictions/ instructions and he shall organize his work accordingly. No claim on this account, whatsoever, shall be payable.
- 7) No hindrance / inconvenience shall be caused in the operation / working / movement of Bank personnel / customers / visitors and their vehicles due to the execution of the project / storage or placement of materials / debris / construction waste / excavated materials by the contractor. Contractor shall at all times ensure safe and convenient access to building entry for Bank staff working in the building & take all precautions to ensure that Bank's official work going on in the building is not hampered. The contractor shall take all precautions to avoid accidents by exhibiting necessary caution boards day and night, speed limit boards, red flags, red lights and providing barriers. No hindrance shall be caused to traffic during the execution of the work.
- 8) The contractor shall be responsible for the watch and ward of all materials brought by the contractor to site against pilferage and breakage during the period of installation and thereafter till the works are physically handed over to the Bank.

- 9) The contractor shall take all preventive measures against any such damage caused by rain, snowfall, floods or any other natural calamity, whatsoever during the execution of the work. The contractor shall be fully responsible for any damage to the owner's property and to the work for which the payment has been advanced to him under the contract.
- 10) The work will be carried out in the manner complying, in all respects, with the requirements of relevant bye-laws of the local body under the jurisdiction of which the work is to be executed or as directed by the Engineer-in-Charge and nothing extra shall be paid on this account.
- 11) The contractor shall comply with proper and legal orders and directions of the local or public authority or municipality and abide by their rules and regulations and pay all fees and charges which may be liable.
- 12) The contractor shall give due notices to Municipal, Police and/or other authorities that may be required under the law/rules under force in the area and obtain all requisite licenses for temporary obstructions / enclosures and pay all charges which may be leviable on account of his execution of work under the agreement. Nothing extra shall be payable on this account in any case whatsoever.
- 13) All materials to be incorporated in the work shall be arranged by the contractor and shall be in accordance with the specifications laid down. Samples of all items are to be fabricated by the Contractor prior to taking up the mass production. The Contractor shall take prior written approval of the Bank before proceeding for mass production.
- 14) The Contractor shall use materials bearing ISI/BIS Certification Mark unless otherwise specified or allowed in writing by the Engineer-in-Charge. Any material banned by the Bank shall not be used in the work.
- 15) The contractor shall submit to the Engineer-in-charge samples of all materials for approval. Such samples of materials which affect aesthetics of the work shall also be got approved from the Engineer-in-charge of the project before procuring bulk supplies. These approved samples shall be preserved and retained in the custody of the Engineer-in-charge as standards of materials till the completion of the work. The cost of such samples shall be borne by the Contractor and nothing shall be payable on this account over the Agreement rates.
- 16) The contractor shall be required to get all the necessary mandatory and other tests as per the specifications/ IS codes, carried out on materials/ work from an approved laboratory as per the direction of the Engineer-in-charge. The testing charges and conveyance from the site shall be borne by the contractor.
- 17) In case any material / work is found sub-standard the same shall be rejected by the Engineer-in-charge and the same shall be removed from the site of work within 48 hours, failing which the same shall be got removed by the Engineer-in charge at the risk and cost of the contractor without giving any further notice and time. In order to ensure quality of work during its execution, the Engineer-in-charge may require samples for mandatory or routine testing of materials. All costs of these samples, their packaging, conveyance from the site to the testing laboratory and return, shall be borne by the contractor.
- 18) Even ISI marked materials may be subjected to quality test at the discretion of the Engineer in-charge. Whenever ISI marked materials are brought to the site of work the contractor shall, if required by the Engineer-in-charge, furnish manufacturer's test

certificate or test certificate from approved testing laboratory to establish that the materials procured by the contractor, satisfy the provisions of relevant ISI codes. The testing charges shall be borne by the contractor.

19) The material required for testing shall be supplied free of charge by the contractor. The cost of tests shall be borne by the contractor.

20) The work shall be executed and measured in metric system. The metric dimensions given in the schedule of quantities and drawing etc. shall be followed. (The dimension in FPS units wherever indicated are for guidance only) The figures in the drawings shall be followed.

21) The contractor shall be responsible for completing the work and for satisfying all terms and conditions of the Contract without any extra payment over his quoted rates unless otherwise specified. The contractor shall quote his rate for various items of work accordingly and no claim whatsoever shall be entertained for any incidental or extra work involved in the execution of the work as per nomenclature of the item and the specifications indicated in the tender documents.

22) Subject to the nomenclature of the item as per schedule of quantities, the specification indicated in the tender documents, the rates quoted shall include cost of all materials including royalty and taxes if any, labour, sundry inputs, execution of work at all heights, levels, pattern and design for all leads, lifts and depths including overhead charges and contractor's profit. Nothing extra shall be paid on this account.

23) The rate shall be inclusive of making design, pattern and execution of work as per Architectural drawings, at all levels and heights.

24) Other agencies doing works related with this project will also simultaneously execute the works and the contractor shall afford necessary co-ordination for un-hindered completion of these sub-works.

25) The contractor shall give a satisfactory performance test of installations individually and as a whole to ensure their proper functioning before the work is finally declared and completed and accepted.

26) The contractor shall continue to maintain watch and ward to safeguard the Owner's property in his possession until the same is formally handed over as per directions of the Engineer-in-charge. Nothing extra over agreement rates shall be paid on this account.

27) All tools, plants and measuring or weighing equipment shall be arranged by the contractor himself and nothing extra shall be paid to the contractor on this account.

28) The quantities of various items incorporated in the tender are approximate. However, the payments shall be made to the contractors on the basis of actual measurements taken at site.

29) The contractor shall protect the adjoining buildings or works and the work under execution from fire and shall make adequate arrangements for fire protection and firefighting and if any property is damaged, by fire due to the negligence of the contractor, the same shall be made good by the contractor at his own cost, to the entire satisfaction of Engineer-in charge.

- 30) The contractor shall provide adequate lighting arrangements as approved by the Engineer in-charge for carrying out the work during night time, if so required and also provide all other facilities for the labour employed to carry out the work as per direction of Engineer in-Charge.
- 31) In order to achieve the targeted date of completion the contractor may have to work in multiple shifts, round the clock including public and gazetted holidays and nothing extra shall be paid on this account.
- 32) All materials, articles and workmanship shall be of respective best quality and kind for the class described in the schedule of quantities and specifications. All materials, so used in different items of work shall be subject to the approval of the Engineer-in-charge.
- 33) The TDS or any other statutory levels/taxes incorporated from time to time shall be deducted progressively from the running account bills, as applicable at the time of payment. No claim in this regard shall be entertained.
- 34) No extension of time shall be granted to the contractor on account of rains or inclement weather conditions.
- 35) For any clarification/ doubt, the Bank may organize regular meetings with Contractor. The contractor shall attend such meetings invariably as and when required.
- 36) In respect of the work of other agencies, where the commencement or progress of such work of any other agency is dependent upon the completion of particular portions of the contractor's work or generally upon the contractor maintaining progress in accordance with the approved coordinated construction program, it shall be the responsibility of the Contractor to complete such portions and maintain such progress.
- 37) The contractor shall have to do all drilling of holes and cutting of walls, chases or other elements of the building for the complete and proper installation of the pipe lines/ ducts and other equipments by using electrically operated tools such as drills/ chases cutting machine etc. Manual drilling or chiseling or cutting shall be permitted on special request only. Prior permission for the same is to be obtained from the Bank.
- 38) No chiseling or cutting or drilling of RCC columns, beams, girders and other principal structural members shall be done unless prior permission has been granted by the Engineer in charge in writing.
- 39) All chases and openings made by the contractor for his pipe lines shall be filled/ covered over with cement plaster in reasonable manner. Before rough plastering on the pipe surfaces the concealed pipes shall be secured to the wall by using proper supports/ clamps.
- 40) The contractor will neither be allowed to construct labour hutments nor his workforce be allowed to stay.
- 41) All spaces allotted to the contractor as described above shall be vacated and all structures removed from site at any time as and when required and directed by the Engineer-in charge, unconditionally and without any reservation. The Engineer-in-charge will not be obliged to give any reason for such removal. Upon receiving instructions to vacate the space, the contractor shall immediately remove all his structures, materials, etc.

from the sources and clear and clean-up the site to the satisfaction of the Engineer-in-charge.

42) It shall be the responsibility of the Contractor to safeguard the site and ensure that no illegal encroachments are made by outside elements within the area allotted to the contractor. Upon completion of the work or earlier as required by Engineer-in-Charge, the contractor shall vacate the land totally without any reservation.

43) The security of workmen, materials, equipment stores etc. within the area allotted to the contractor shall be the responsibility of the contractor.

44) The site of work shall have required equipments for various tests at site by the contractor at his own cost and nothing extra shall be payable on this account.

45) The contractor shall arrange the required minimum plant and equipments at site for the execution of work. These may have to be increased depending on the requirement of the site.

46) The quantities indicated are for guidance only. However, it may vary to any extent and the contractor should not have any financial or other implications for such variations. The Bank reserves to reduce the scope of work of any item if the contractor fails to deliver the works in time and the contractor shall not ask for any financial consideration for such deletion of scope of the work.

47) The contractor shall take photographs of site prior to commencement of work, during construction and after completion of work as suggested and shall submit the photographs in soft and hard copies to Bank for which no extra payment will be made.

48) Layout of works shall be got checked by Engineer-in -charge & only then further work shall be taken by after approval.

49) All electrical works shall be got carried out through licensed Electrical Contractor having experience of similar work. Successful bidder to submit the details of licensed Electrical Contractor before start of Internal Electrification Work. The work shall be executed as per specifications and strictly in keeping with relevant IS code and rules and regulations of authorities.

50) The work should be carried out as per latest CPWD specification and as per the standard engineering practice. All measurements shall be made as per CPWD norms.

51) Site should be cleaned every day and all the unusable material/malba shall be removed from the site and unusable materials shall be stacked properly so that there is no hindrance for staff and public failing which bank will remove the same at their level and suitable amount shall be recovered from the contractor's bill.

52) The contractor shall be required to maintain the coordination with the Building Maintenance Contractor, if required.

53) No old / dismantled material shall be used by the contractor in the work under any circumstances unless otherwise specified or under instructions of the bank.

54) The bidder shall visit the site and examine the rebate items and site conditions before quoting the rates.

- 55) Dismantling & taking away includes the disposal of unserviceable material / malba to approved municipal yard.
- 56) The Rebate items shall be the property of the contractor. Rates of rebate item shall be considered as negative by the system while calculating the value of tender.
- 57) The Contractor shall comply with the provisions of Contract, Labour (Regulation & Abolition) Act, 1970, Minimum Wages Act and all other Labour Laws and other Statutory Regulations (both Central and State) that may be enforced from time to time by the appropriate authorities. Bank shall not be held responsible for any penalty on failure of the any Labour Regulations. Bank shall have the power to inspect the Wage Register and for physical verification of salary paid to the staff with reference to any records of the Contractor and to insist the Contractor to comply with Laws.
- 58) Contractor should obtain necessary permission that may be required for the purpose of this Contract from such authorities as may be prescribed by Law from time to time.
- 59) Contractor or his authorized representative should visit the site frequently as required by the Bank and meet Bank's Engineer with prior appointment for any clarifications and to receive instructions, take measurements, etc. at the site.
- 60) The Contractor should arrange to issue photo identity card to his workers.
- 61) Any act of indiscipline / misconduct / theft / pilferage on the part of any employee engaged by the Contractor resulting in any loss to Bank in kind or cash will be viewed seriously and Bank will have the right to claim damages or levy fine and / or terminate the Contract forthwith, if necessary.
- 62) In case of any default or failure on Contractor's part to comply with all / any one of the Terms/ Conditions, Bank reserves to itself the right to take necessary steps to remedy the situation including, inter-alia, the deduction of appropriate amount(s) from dues otherwise payable to Contractor and / or by taking recourse to appropriate recovery proceedings.
- 63) Keeping the area clean and removal of debris: Contractor shall arrange to dispose off debris, any other waste product created while carrying out the work, outside Bank's premises. The Contractor shall take due care while disposing of such waste materials and ensure that any rules / regulations laid down by Municipal Corporation or any other statutory body are not violated. The Contractor shall be responsible and answerable to any complaint arising out of improper disposal of waste material. Quoted rates shall involve the cost of same and no extra payment shall be made towards this account.
- 64) It is mandatory to provide purchase voucher of the material where basic rates are given in Bill of Quantities (BOQ). However, Bank may instruct the contractor to submit purchase voucher/test certificate of any material.
- 65) BOQ nomenclature shall prevail over any drawing/detail.
- 66) The specification for the entire work shall be in accordance with latest CPWD specifications and latest IS codes. Whenever these codes are silent, the same shall be

governed by sound engineering practice and the decision of the Bank in matter of interpretation shall be final and binding on the contractor.

67) Electricity & Water shall not be provided by Bank to Contractor. Necessary arrangement/ sourcing/ extension, if required, shall be done by the contractor at his own cost with the approval of Bank. No extra payment will be made to the contractor for the same. Contractor shall have to arrange for D. G. set / temporary power supply at his/ her own cost, risk and responsibility to carry out the works at site whenever required for and asked by the Bank. The contractor shall at his own cost arrange for necessary power/ lighting for the work and water consumption for the entire period of contract. However, Bank may provide electricity & water from their existing source at site for which Bank will recover **0.5%** of the contract sum from the contractor for electricity & water from their running bills / final bill. But in no way Bank will be held responsible for continuous supply of electricity.

68) The contractor should submit the soft drawing and three copies of hard drawings of STP layout along with all job such as allied working platforms and ladders including piping system of SS for STP and for WTP GI piping system ladders etc. for approval of Engineer-in-Charge before actually commencing the execution of work under the item. Nothing extra shall be payable on this account. The contractor will be fully responsible for the detailed design and drawings of all the units/items mentioned in the Particular Specifications.

69) Existing RCC tanks/structures, drains, pipes, cables, over-head wires, sewer lines, water lines and similar services encountered in the course of the execution of work shall be protected against the damage by the contractor at his own expense. The contractor shall not store materials or otherwise occupy any part of the site in a manner likely to hinder the operation of such services. In case temporary supporting/shifting of such services is required to facilitate the work, the same shall be done by the contractor at no extra cost. In case the existing services are to be shifted permanently, then before dismantling the existing services, alternate/diversion of service lines has to be laid by the contractor so that there is no interruption in use of existing services. The contractor has to plan the alternate suitable route for diversion/shifting of service lines and get the same approved from the Engineer-in-Charge before starting shifting of services. Nothing extra shall be paid except the payment of dismantling and laying of new service lines as per conditions of contract.

70) The contractor shall be responsible for the watch and ward / guard of the buildings, safety of all fittings and fixtures including sanitary and water supply fittings and fixtures provided by him against pilferage and breakage during the period of installations and thereafter till the building is physically handed over to the department. No extra payment shall be made on this account.

71) The contractor shall be fully responsible for the safe custody of materials brought by him/ issued to him even though the materials may be under double lock key system.

72) All materials and fittings brought by the contractor to the site for use shall conform to the samples approved by the Engineer-in-Charge which shall be preserved till the completion of the work. If a particular brand of material is specified in the item of work in Schedule of Quantity, the same shall be used after getting the same approved from Engineer-in-Charge. Wherever brand / quality of material is not specified in the item of work, the contractor shall submit the samples as per List of Preferred Makes for approval of Engineer-in-Charge. For all other items, ISI Marked materials and fittings shall be used with the approval of Engineer-in-Charge. Wherever ISI Marked material / fittings are not available, the contractor shall submit samples of materials / fittings manufactured by firms

of repute conforming to relevant Specifications or IS codes for the approval of Engineer-in-Charge.

73) BIS marked materials except otherwise specified shall also be subjected to quality test besides testing of other materials as per the specifications described for the item/material. Wherever BIS marked materials are brought to the site of work, the contractor shall, furnish manufacturer's test certificate or test certificate from approved testing laboratory to establish that the material procured by the contractor for incorporation in the work satisfies the provisions of specifications relevant to the material and / or the work done. BIS marked items (except cement & steel for which separate provisions have been made) required on the work shall be got tested, for only important tests, which govern the quality of the product, as decided by the Engineer-in-Charge. The frequency of such tests (except the mandatory test) shall be 5% of the frequency as specified in BIS. For mandatory test, frequency shall be as specified in the CPWD Specifications

74) For certain items, if frequency of tests is neither mentioned in the CPWD Specifications & BIS, then tests shall be carried out as per decision of Engineer-in-Charge.

75) After Completion of work bidder will provide Engineer for weekly visit for one month to give proper training to the CAMC vendor staff and also check the operation is being done as per SOP defined by the bidder. Further quarterly visit of Engineer for one year shall be provided to check the operation of Plant.

78) CIP for 1st month will be in scope of Contractor.

79) Dismantled/replaced parts will be handed over to Bank

80) Presence of supervisor /Site Engineer of Contractor is must at site during execution of work

81) The Contractor to provide proper Bar chart for the work at start of work and be updated as per progress of work

82) The Contractor to provide warranty certificate of all major items like Pump, MBR membrane, submersible mixer etc. For MBR membrane at least **2 year warranty** shall be provided.

83) The Contractor must take care of existing system (RCC Tank, Pump, electrical system etc) while carrying out the work and if any damage is caused during the work same shall be recovered from bidder.

84) The Contractor shall do Hazop(Hazard and operability) study of plant for upgradation of STP Plant.

85) The contractor shall ensure all the safety measures involve in sewerage treatment Plant.

86) Since the building is running all the safety precautions shall be taken while working inside the Bank as per Safety rule/regulation stipulated in the tender.

87) All the equipments/material related to project shall be supplied at site within eight to 10 weeks. Then erection, installation and commissioning of STP project shall be one month maximum since the building is operational and STP Plant cannot be shutdown for long

periods. Small works can be done at night or Saturday(2nd and 4th) and Sunday only before shutdown of plant.

88) If any work which is not included in the scope of work but required for operation and maintenance shall be supplied by taking approval from the Bank.

89) Service during Defect liability period on the work done by the contractor in case of any breakdown, contractor shall depute the Engineer within 6 hours to rectify/attend the problem. Rewinding of motor supplied and material part on executed part shall be in the scope of contractor. Penalty for not attending the breakdown within 12 hours is Rs.10,000 per breakdown from Security deposit.

90) Contractor shall hand over the Programming file of automation to the Bank. If Reprogramming is required shall be part of bidder.

91) Contractor shall share the calculation of Design of Partition wall (MBR Tank) with the Bank. Thickness of sheet shall be approved by the Bank

92) Contractor shall be requested to coordinate with the existing CAMC contractor for work. The CAMC manpower shall not be utilized for project work.

93) Marking of flow on pipe and name on equipment shall be part of project.

94) Smoking and Alcohol consumption in the Bank premises during execution of work is not allowed if found penalty will be imposed of Rs.500 per instance.

Punjab National Bank,
Dwarka, New Delhi – 110075**

Sub: Upgradation of existing 125 KLD Sewage Treatment Plant installed at Punjab National Bank's Head Office, Plot No.4, Sector 10, Dwarka, New Delhi-110075

Dear Sir,

I/We acknowledge that PNB is committed to follow the principles thereof as enumerated in the Integrity Agreement enclosed with the tender/ bid document.

I/We agree that the Notice Inviting Tender (NIT) is an invitation to offer made on the condition that I/ We will sign the enclosed integrity Agreement, which is an integral part of tender documents, failing which I/ We will stand disqualified from the tendering process. I/ We acknowledge that THE MAKING OF THE BID SHALL BE REGARDED AS AN UNCONDITIONAL AND ABSOLUTE ACCEPTANCE of this condition of the NIT.

I/ We confirm acceptance and compliance with the Integrity Agreement in letter and spirit and further agree that execution of the said Integrity Agreement shall be separate and distinct from the main contract, which will come into existence when tender/bid is finally accepted by PNB.

I/ We acknowledge and accept the duration of the Integrity Agreement, which shall be in the line with the enclosed Integrity Agreement.

I/ We acknowledge that in the event of my/ our failure to sign and accept the Integrity Agreement, while submitting the tender/ bid, PNB shall have unqualified, absolute and unfettered right to disqualify the bidder/ bidder and reject the tender/ bid in accordance with terms and conditions of the tender/bid.

Pre Contract Integrity Pact

Punjab National Bank, a body corporate constituted under the Banking Companies (Acquisition and Transfer of Undertaking) Act 1970 (Act no V of 1970) and having its Head Office at Plot no. 4, Sector 10, Dwarka, New Delhi 110075, hereinafter referred to as "The Principal", which expression shall mean and include unless the context otherwise requires, its successors in office and assigns of the First Part.

And

M/s. _____ having its registered office at _____ hereinafter referred to as "The Bidder/ Contractor", expression shall mean and include unless the context otherwise requires, successors and permitted assigns of the Second part.

Preamble

The Principal intends to award, under laid down organizational procedures, contract/s for **Upgradation of existing 125 KLD Sewage Treatment Plant installed at Punjab National Bank's Head Office, Plot No.4, Sector 10, Dwarka, New Delhi-110075**. The Principal values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/ transparency in its relations with its Bidder(s) and/or Contractor(s).

In order to achieve these goals, the Principal will appoint Independent External Monitors (IEMs) who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

Section 1- Commitments of the Principal

(1) The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:-

a. No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.

b. The Principal will, during the tender process treat all Bidder(s) with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential/ additional information through which the Bidder(s) could obtain an advantage in relation to the tender process or the contract execution.

c. The Principal will exclude from the process all known prejudiced person.

(2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the IPC/ PC Act, or if there be a substantive suspicion in this regard, the Principal will inform the Chief Vigilance Officer and in addition can initiate disciplinary actions.

Section 2- Commitments of the Bidder(s)/ Contractor(s)

(1) The Bidder(s)/ Contractor(s) commit themselves to take all measures necessary to prevent corruption during any stage of bid process/ contract. The Bidder(s)/ Contractor(s) commit themselves to observe the following principles during participation in the tender process and during the contract execution.

a. The Bidder(s)/ Contractor(s) will not, directly or through any other person or firm, offer promise or give to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material or the other benefit which he/ she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.

b. The Bidder(s)/ Contractor(s) will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.

c. The Bidder(s)/ Contractor(s) will not commit any offence under the relevant IPC/PC Act; further the Bidder(s)/ Contractor(s) will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans., technical proposal and business details, including information contained or transmitted electronically.

d. The Bidder(s)/ Contractor(s) of foreign origin shall disclose the name and address of the Agents/representatives in India, if any, similarly the Bidder(s)/ Contractor(s) of Indian Nationality shall furnish the name and address of the foreign principals, if any. Further details as mentioned in the "Guidelines on Indian Agents of Foreign Suppliers" shall be disclosed by the Bidder(s)/ Contractor(s). Further, as mentioned in the Guidelines all the payments made to the Indian agent/ representative have to be in Indian Rupees only.

e. The Bidder(s)/ Contractor(s) will, when presenting their bid, disclose any, and all payments made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.

f. Bidder(s)/ Contractor(s) who have signed the Integrity Pact shall not approach the Courts while representing the matter to IEMs and shall wait for their decision in the matter.

(2). The Bidder(s)/ Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section-3 Disqualification from tender process and exclusion from future contracts.

If the Bidder(s)/ Contractor(s) before award or during execution has committed a transgression through a violation of Section 2, above or in any other form such as to put their reliability or credibility in question, the Principal is entitled to disqualify the Bidder(s)/

Contractor(s) from the tender process or take action as per the procedure mentioned in the "Guidelines on Banning of business dealings".

Section 4- Compensation for Damages

(1). If the Principal has disqualified the Bidder(s) from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover the damages equivalent to earnest Money Deposit/ Bid Security.

(2). If the Principal has terminated the contract according to Section 3, or the Principal is entitled to terminate the contract according to Section 3, the Principal shall be entitled to demand and recover from the Contractor liquidated damages of the contract value or the amount equivalent to Performance Bank Guarantee/ Initial Security Deposit.

Section 5- Previous transgression

(1) The Bidder declares that no previous transgression occurred in the last three years immediate before signing of this integrity pact with any other Company in any country conforming to the anti-corruption approach or with any Public Sector Enterprises or central/ state government department in India that could justify his exclusion from the tender process.

(2). If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or action can be taken as per the procedure mentioned in "Guidelines on Banning of business dealing".

Section 6- Equal treatment of all Bidders/ Contractors/ Subcontractors

(1) In case of Sub-contracting, the Principal Contractor shall take the responsibility of the adoption of integrity Pact by the Sub-contractor.

(2) The Principal will enter into agreements with identical conditions as this one with all Bidders and Contractors.

(3) The Principal will disqualify from the tender process all the Bidders who do not sign this Pact or violate its provisions.

Section 7- Criminal charges against violating Bidder(s) / Contractor(s) / Subcontractor (s)

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Sub contractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the same to the Chief Vigilance Officer.

Section 8- Independent External Monitor

(1) The Principal appoints competent and credible Independent External Monitor for this Pact after approval by Central Vigilance Commission. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under the agreement.

Sh. Madhusudan Prasad, IAS (Retd.) and Sh. Rishi Kumar Shukla, IPS (Retd.) have been appointed as Independent External Monitors (IEMs) by our Bank. Their e-mail addresses are as under:

Sl.	Name of IEM	e-mail	Mob. No.
1.	Sh. Madhusudan Prasad, IAS (Retd.)	mprasad23@gmail.com	9717585556
2	Sh. Rishi Kumar Shukla, IPS(Retd.)	rishi_2000in@yahoo.com	9425365076/ 9319846611

(Note to Tender Issuing Office: Name and Contact Details of IEMs be updated as per latest GSAD Circulars issued from time to time)

(Note to Bidders: the above persons are not to be contacted for generic tender related queries, as the queries must be directed to contact details mentioned in Notice Inviting Tender)

(2) Only Integrity pact related queries to be addressed to IEMs. Also the bids of the bidders who do not sign the Integrity Pact will not be evaluated further.

(3) The Monitor is not subject to instructions by the representatives of the parties and performs his/ her functions neutrally and independently. The Monitor would have access to all Contract documents, whenever required. It will be obligatory for him/her to treat the information and documents of the Bidders/ Contractors as confidential. He/she reports to the Managing Director and CEO, Punjab National Bank.

(4) The Bidder(s)/ Contractor(s) accepts that the Monitor has the right to access without restriction to all project documentation of the Principal including that provided by the Bidder(s)/ Contractor(s). The Bidder(s)/ Contractor(s) will also grant the Monitor, upon his/ her request and demonstration of a valid interest, unrestricted and unconditional access to their project documentation. The same is applicable to Sub-contractor.

(5) The Monitor is under contractual obligation to treat the information and documents of the Bidder(s)/ Contractor(s)/ Subcontractor(s) with confidentiality. The Monitor has also signed declarations on "Non-Disclosure of Confidential Information" and of "Absence of Conflict of Interest". In case of any conflict of interest arising at a later date, the IEM shall inform MD & CEO, Punjab National Bank and recues himself/ herself from that case.]

(6) The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and Contractor. The parties offer to the Monitor the option to participate in such meetings.

(7) As soon as the Monitor notices, or believes to notice, a violation of this agreement, he/ she will so inform the Management of the Principal and request the Management to discontinue or take corrective action, or to take other relevant action. The monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action. The Monitor will submit a written report to the MD & CEO, Punjab National Bank within 8 to 10 weeks from the date of reference or intimation to him by the Principal and, should the occasion arise, submit proposals for correcting problematic situations.

(8) If the Monitor has reported to the MD& CEO, Punjab National Bank, a substantiated suspicion of an offence under relevant IPC/PC Act, and the MD & CEO, PNB has not, within the reasonable time taken visible action to proceed against such offence or reported it to the Chief Vigilance Officer, the Monitor may also transmit this information directly to the Central Vigilance Commissioner.

(9) The word '**Monitor**' would include both singular and plural.

Section 09- Pact Duration

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the contract, and for all other Bidders 6 months after the contract has been awarded. Any violation of the same would entail disqualification of the bidders and exclusion future business dealings.

If any claim is made/ lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/ determined by MD & CEO, PNB.

Section 10- Other provisions

(1) This agreement is subject to Indian Law. Place of performance and jurisdiction is the "Place of award of work".

(2) The actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of to the extant law in force relating to any civil or criminal proceedings.

(3) Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.

(4) If the Contractor is a partnership or a consortium, this agreement must be signed by all partners or consortium members.

(5) Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.

(6) Issues like warranty/ Guarantee etc. shall be outside the purview of IEMs.

(7) In the event of any contradiction between the Integrity Pact and its Annexure, the Clause in the Integrity Pact will prevail.

21 LIST OF PREFERRED MAKE OF MATERIAL

The material of standard quality from the following preferred makes is to be used. In case it is established that the brands specified below are not available in the market, contractor shall submit alternative proposal for the approval of Bank.

Steel	SAIL/ Tata Steel/ JSW Steel Ltd./ RINL/ JSL
Cement	Ultratech/ ACC/ JK Cement/ Ambuja
SS Pipe / G I & Fittings /MS	TATA / SAIL/Jindal
C.I. Pipes & Fittings	R.I.F./ SRIF/ KAJEEO
CPVC/ UPVC Pipe/ Accessories	Prakash/ Jindal/ Supreme/ Astral/ Finolex/ Prince
MBR Membrane	Veolia /QUA/Hydranautics/ Mitubhishi/Torray
Aluminum	Jindal/ Hindalco/Tata
Bubble Diffusion system	EDI/OTT/Rehau /Titan aeration/Airfin/MM Aqua
Submersible mixer	Kay Engineering/Everest/ Kulkarni/Universal
Pumps	Wilo/Armstrong/Gurdfos/KSB/Kirloskar/Lubi/Crompton greeves
Micro Filter	Big Blue
Chemical dosing pump	Milton Roy / Grundfos / Prominent/E dose
Anaerobic Media	CHENNAI FLAOTING MEDIA/COOLDEC/MM AQUA
ACF/softner resin	Ion exchange/Thermax/Dupoint
Belt and oil skimmer	Potential Engineering/Duvera
Rotameter	Aris/scientific devices/Flowtech/Aster
Vaccum /pressure gauge	Waree/H Guru/WIKA
HDPE tank	Sintex/Astral/Supreme
NRV, Ball, butterfly, check valves etc.	Inter valve/ Bray/FIP/ GF /BD VASS/Tyco/Jash/Zoloto/AIRA/Sant/Advance
Pressure transmitter	E&H/ABB/ Endress + Houser Pvt. Ltd /Nivo Control Pvt.Ltd./ Forbes Marshal /Siemens/Baumer
Hydrostatic level transmitter	E&H/ABB/ Endress + Houser Pvt. Ltd /Nivo Control Pvt.Ltd./ Forbes Marshal /Siemens/Baumer
Make of Switch Gears	Siemens/Schneider/ABB/Havells
Cables	Polycab / Finolex /Havells/KEI
PVC conduit/ fittings	AKG / Precision/ BEC
PVC insulated copper FRLS Cable	Finolex/ Polycab/ Havells/ KEI
PVC / XLPE Multi Core Cables (armored/ unarmoured)	Finolex/ Polycab/ Havells/ KEI
Modular Switch Sockets & accessories	Crabtree / Northwest /Anchor-Roma / SSK / Legrand / ABB
MCB & MCCB	Legrand/Havells/L&T/Siemens/ABB/Schneider
Motor	Crompton/Kirloskar/Bajaj/ Siemens
Light fitting	PHILIPS/Havells/Wipro/Bajaj/Osram
Fuse Switch Unit (FSU)	L&T / Havells/ Siemens
Cable Lug	Dowell's/Jainsons/3-D/Comet
Cable gland	Jainsons/Comet or equivalent
Distribution board	L&T/Havells/Siemens/Hager/ Legrand/ABB/Schneider
MS conduit & Accessories	BEC/AKG/Precision

Starter & single phasing preventer	SIEMENS/ L&T/ ABB
MV/LT Panel Board	CPRI Approved Manufacturer for the required rating specified in the tender.
CT/PT	Automatic Electric / Crompton / Kappa
Digital Meters	Conzerve / Scheider / Secure / Rishab
HRC Fuse & Fitting	Siemens/L&T/ Hager
Chemical Earthing	Universal Altex / Ashlok / JMV/ ERICO
Changeover (On–Load)	L&T/Hager/Siemens/ Legrand
PVC Casing & Capping Fittings	BEC/AKG/ Precision

NOTE:-

1. In case of unavailability of any material of specific make from above mentioned preferred make of material, an equivalent make can be used only after a written approval of the Bank.

2. The contractor shall provide samples of all materials mentioned in the list of makes as required by the Bank. A written approval of these samples shall be sought prior to commencement of any work. Bank reserve the right to enquire the genuineness of any material used at site directly from the manufacturer/ dealer.

22 Commercial Bid

S No.	Item Description	Unit	Quantity	Rate including GST	Amount
1	Supply, installation, testing & Commissioning of New MBR Membrane made of Hollow Fiber re-enforced PVDF having tensile strength more than 400N. Pore size of membrane shall be 0.04 - 0.06 microns approx. Flow path shall be outside -in. Total Membrane area 280 m ² , membrane flux-25 27lmh. Flow rate : 120 KLD or 6m ³ /hr.	Nos	10	To be filled Online only	To be filled Online only
2	Removal of existing installed Skid then fabrication & installation of new Skid of SS 304 hollow pipe 18 gauge suitable for new MBR system, the skid shall be fabricated with provisioning for installation of minimum 10 nos of proposed MBR module. The skid shall be designed as such that MBR module can be pulled out of tank with the help of chain block. Bidder has to prepare the drawing as per site and get the drawing approved from Bank before fabrication/ installation.	Job	1	To be filled Online only	To be filled Online only
3	Design, Supply and installation of Stainless steel sheet SS 304 partition wall along with support angle in the aeration tank to separate MBR module for automatic & in place cleaning without taking out MBR module. The bidder require to design so that the sheet shall not bend due to water pressure and installed inside the aeration tank	Job	1	To be filled Online only	To be filled Online only
4	Providing and fixing manual geared trolley Chain Block system having capacity of 1 tonne for pulling the MBR module for inspection. Length of chain 5-10 meter as per system requirement with lifting hooks and support structure, minimum size of ISMB100 mm or above to be installed for installation of Chain	Set	1	To be filled Online only	To be filled Online only

	block				
5	Design, Supply, installation, testing & commissioning Non clog type air retrieval diffusion (EPDM) system capable of handling 5-8 cfm of air with oxygen transfer efficiency of 3-4% per/meter water depth. Air dispersion grid shall be assembled in modular form so that they can be replaced / repaired easily from platform at the top. Existing diffusers to be removed from tank	Nos	30	To be filled Online only	To be filled Online only
6	Design, Supply, installation, testing & commissioning of submersible type mixer for anoxic tank along with cable, mounting system, chain system for removing from tank, minimum capacity 1 HP	Nos	1	To be filled Online only	To be filled Online only
7	Design, Supply, installation, testing & commissioning of MBR Backwash Pump having capacity of 6 m ³ /hr, Head-7-8 mtr, Centrifugal Monoblock type pump, Self priming, Air cooled.	Nos	2	To be filled Online only	To be filled Online only
8	Supply, installation, testing & commissioning of Submersible type Sludge recirculation cum removal Pumps having capacity of 20 m ³ /hr, pressure@1 Kg /cm ² , Mud Pump type pump, Solid handling upto 20 mm	Nos	2	To be filled Online only	To be filled Online only
9	Supply, installation, testing & commissioning of Micron Filter to be installed in the backwash line along with mounting arrangement of size of filter 5-10 micron.	Nos	1	To be filled Online only	To be filled Online only
10	Shifting of existing permeate pumps 2 nos installed near platform of tank to ground level along with foundation for self priming & avoiding air buildup.	Job	1	To be filled Online only	To be filled Online only

11	<p>Piping system :Design, Supply, Installation of Interconnecting piping system of appropriate size complete with all fittings such as tees, flanges, valves, crosses, plugs, sockets, elbows, reducers, supports & clamps etc. cutting chases & making good.</p> <p>a) SS 304 pipe for MBR header for MBR membranes</p> <p>b) SS 304 pipe from Membrane header to shifted permeate pump</p> <p>c) SS 304 pipe from permeate pump to permeate tank</p> <p>d) SS 304 pipe from Back wash tank to permeate pumps with arrangement for fitting micron filter and for Dosing</p> <p>e) SS 304 pipe from backwash pump to MBR header</p> <p>f) SS 304 pipe from Submersible sludge transfer pump to be installed in MBR partition to anoxic Tank</p> <p>g) SS 304 submerged pipe grid from Air header in aeration tank for Non clog type air retrieval diffusion (EPDM) system, Air dispersion grid shall be assembled in modular form so that they can be replaced / repaired easily from platform at the top.</p> <p>h) UPVC pipe from MBR header line to distributed MBR module</p> <p>i) SS Pipe to be provided in MBR Tank Partition</p> <p>Bidder has to prepare the drawing as per site and get the drawing approved from Bank before fabrication/ installation.</p>	Job	1	To be filled Online only	To be filled Online only
12	Supply, installation, testing & commissioning of Electronic Dosing Pump having flowrate of 20 LPH, Pressure 1 bar, positive metering for Chemical dosing.	Nos	2	To be filled Online only	To be filled Online only
13	Supply, installation, testing & commissioning of PVC Chemical Dosing Tanks having volume of 100 litre	Nos	2	To be filled Online only	To be filled Online only
14	Making the existing activated carbon Filter Functional by changing the ACF filter media and	Set	1	To be filled Online	To be filled Online

	ACF Internal Tank repair , If required.			only	only
15	Making the existing Softener Filter Functional by changing the softener filter media and other softener Internal Tank repair, If required.	Set	1	To be filled Online only	To be filled Online only
16	Supply Installation testing & commissioning of Belt type Oil Skimmer at Oil & Grease Tank to remove excess free floating Oil. Belt Length 2 meter	Nos	1	To be filled Online only	To be filled Online only
17	Supply, installation, testing & commissioning Water Rotameter for permeate and backwash line of MBR system	Nos	2	To be filled Online only	To be filled Online only
18	Supply, installation, testing & commissioning various Vacuum Gauge Glycerine filled made of SS 304 with brass valve for suction of pumps and other places as required.	Job	1	To be filled Online only	To be filled Online only
19	Supply, installation testing & commissioning of HDPE Tank for Backwash having volume of 1000 litre	Nos	1	To be filled Online only	To be filled Online only
20	Supply, installation, testing & commissioning of NRV for Both existing air blower along with cutting of existing pipe welding fitting flanges etc in all respect. Size shall be compatible with existing blower and pipe system.	Nos	2	To be filled Online only	To be filled Online only
21	Supply, installation, testing & commissioning of Motorized valve for auto backwash & permeate line	Nos	4	To be filled Online only	To be filled Online only
22	Supply installation testing & commissioning of Pressure transmitter for permeate & Backwash line	Nos	2	To be filled Online only	To be filled Online only
23	Supply installation testing & commissioning of Hydro Static level transmitter	Nos	1	To be filled Online only	To be filled Online only
24	Supply, installation, testing & commissioning of the MCC Electrical Panel, Non compartmental ,wall/ Floor mounted complete to make the system functional, fabricated out of 14 gauge CRCA sheet. Cable	Nos	1	To be filled Online only	To be filled Online only

	<p>gland plates shall be provided on bottom of the panels. Panel shall be provided for 3 phase, 4 wire, 50 Hz supply system. Lifting hooks/wall Mounting arrangement of panels. Motor Control Centre : Incoming 200 AMP 35 KVA adjustable 4P MCB with the following accessories:</p> <p>A. volt meter 96 x 96 mm with selector switch. 1 Set B. Amp meter 96 x 96 mm . 1 Set C. Phase indicating lamps shall be protected with SP MCB</p> <p>outgoings</p> <p>A. 2 Nos of required capacity of DOL starter for sludge recirculation including suitable rating of MCB , contactor ,overload relay , start/stop push button, ON/OFF/TRIP 'indication & A/m selector of motor. B. 2 Nos of required capacity of DOL starter for MBR Backwash pump including suitable rating of MCB , contactor, overload relay , start/stop push button, ON/OFF/TRIP 'indication & A/m selector switch of motor. C. 1 Nos of required capacity of DOL starter for submersible mixer including suitable rating of MCB , contactor ,overload relay , start/stop push button, ON/OFF/TRIP 'indication & A/m selector switch. D. 2 no. of 10 DP MCB with selector switch for dosing pump. E. 1 no. of 10 DP MCB with selector switch for oil skimmer. G. DOL starters shall be used for motors below 10HP and Star-Delta Starters for other motors.</p>				
25	<p>Supplying, laying, testing & commissioning of 3.5C x 50 sq.mm. at 1100 volts grade PVC insulated aluminium conductor armoured cable with 6 SWG earth copper wire including cables end termination using appropriate Lugs, Glands, termination accessories, Clamps etc. as required as per</p>	RM	150	To be filled Online only	To be filled Online only

	specification on existing cable tray from substation at basement -1 to basement 3 STP area.				
26	Supply, installation, testing & commissioning of Control System having (Control Panel Box, Switchgear, Repair, upgrade & programme of existing PLC and HMI). Control panel box MS powder coated, non compartmentalized and base frame mounted. Switchgear having MCB, add on Block, power Contractor, Overload Relay and control MCB. Existing siemens make PLC and siemens make HMI needs to be used and programmed to include more automation like automatic CIP function feed pressure based vacuum cut off and backwash based high pressure cut off. Cabling from new panel to mixer, cabling from new panel to backwash pump & cabling from existing panel to existing permeate pump and other control wiring to motorized valves and other sensor included in work	Nos	1	To be filled Online only	To be filled Online only

---THE END---
